The Dark And Lonely Side The Ins And Outs Of My Life:

The Dark and Lonely Side Denise Williams, 2011-06 The dark and lonely side journals the journey throughout my life Not many will read and not identify with something in this collection at one point or another My objective for my poems is to inspire strength to go through the trials and tribulations of living life From trauma to drama addiction to drugs to kisses and hugs love make to heartbreak loneliness to homelessness struggle and strife to husband and wife these are the ins and outs of my life Life love marriage infidelity and divorce are some of the motivating factors to my writing This book contains 97 different poems about a variety of things that god hands to us in our everyday lives I hope that these poems can touch someone s heart as they ve come from within my heart to do just that I pray that I reach my goal and that is to be heard and known worldwide not as a great poet but as a great expressionist *The Woman Thou Gavest Me* Hall Caine, 1912

Garden of Time Sharon

Ricklin, 2015-11-16 Emma Lee Parkinson s life appears to be perfect She s young and beautiful and lives in an elegant high rise condominium with her rich handsome husband Her closet is full of designer clothes shoes and purses Dining at elegant restaurants attending cocktail parties or upscale gala events are typical nights out on the town for her Luxurious vacations are taken at least twice a year This life of leisure allows Emma to pursue personal interests as well She loves shopping for antiques strolling through art galleries museums and furthering her own artistic skills with painting classes Who could ask for more But appearances can be deceiving Emma hates her life With a passion Intimidated by a deep dark secret she lives in a constant state of dread Battered abused and even threatened with death she s often on the edge of panic Paralyzed by fear she s certain there s no way out Until the day she attempts to hang her latest find a painting so enchanting that she buys it on a whim Little does she know this painting will change her life forever *Calling Men out of the Cave* Nigel

Mohammed, 2015-12-04 In the time of Saul the people of God were in a small minority in a context of spiritual decline yet Jonathan who had an abusive father courageously called six hundred men who were hiding in caves onto the battlefield The battle shifted for Gods people because of one mans outstanding courage Through the onslaught of secularism humanism and related ideologies the church is viewed by the culture to be irrelevant a bit like these men hiding in caves because of the odds that are against them Is this because men have been under some kind of enchantment Under a spell from the enemy who is inherently intangible and has caused the decline of Western culture from a biblical worldview to individualism whose central idea now is that society can be composed of individuals without a central values system and heritage holding them together To destroy a nation the enemy has tried to dismantle families and thus masculinity and femininity Therefore a historical father absence is ultimately a spiritual battle and must be seen as such Jesus lived in a little platoon of twelve men trained invested in and released them therefore we have a proven model to follow why then have men been in serious decline from the church Mentors and spiritual fathers who know their calling are needed to produce men who will reproduce

disciples who in turn will also be mentors and spiritual fathers with courage and vision to restore the broken foundations The foundations have been progressively dismantled but men are called to be the foundation by knowing that as followers of Jesus Christ we are the beloved of God and this can be a catalyst to finding and living our calling to live in His larger story together
