The Diaries of Adam and Eve Mark Twain, 2020-01-12 THE DIARIES OF ADAM AND EVE Eve s Diary is a comic short story by Mark Twain It was first published in the 1905 Christmas issue of the magazine Harper s Bazaar and in book format in June 1906 by Harper and Brothers 1 publishing house Adam has a lot to learn about Eve and even more from her as she names the animals discovers fire and introduces all manner of innovations to their garden home Mark Twain s diaries of the first man and woman offers a humorous narrative of biblical events and at the same time a thoughtful argument for gender equality It is written in the style of a diary kept by the first woman in the biblical creation story Eve and is claimed to be translated from the original MS The plot of this story is the first person account of Eve from her creation up to her burial by her mate Adam including meeting and getting to know him and exploring the world around her Eden The story then jumps 40 years into the future after the Fall and expulsion from Eden It is one of a series of books Twain wrote concerning the story of Adam and Eve including *Extracts from Adam s Diary* *That Day In Eden* *Eve Speaks* *Adam s Soliloquy* and the *Autobiography of Eve* Eve s Diary has a lighter tone than the others in the series as Eve has a strong appreciation for beauty and love The book may have been written as a posthumous love letter to Mark Twain s wife Olivia Langdon Clemens or Livy who died in June 1904 just before the story was written Mark Twain is quoted as saying Eve s Diary is finished I ve been waiting for her to speak but she doesn t say anything more The story ends with Adam lamenting at Eve s grave Wheresoever she was there was Eden What if Adam and Eve Had a Diary He talks very little Perhaps it is because he is not bright and is sensitive about it and wishes to conceal it It is such a pity that he should feel so for brightness is nothing It is in the heart that the values lie I wish I could make him understand that a loving good heart is riches and riches is enough and that without it intellect is poverty Mark Twain Eve s Diary Mark Twain s short stories aren t about his religious beliefs In fact the Diaries of Adam and Eve should be taken with a grain of salt as they are humorous and witty and describe in a unique way the relationship between two human beings man and woman who eventually end up falling in love with each other
