The Dictionary Of Managed Care A Is For Access:

The Dictionary Of Managed Care Jodi Aronson,2013-06-20 The idea of managed care has sparked much controversy including its impact on the insurance industry employer providers of care and the patients themselves In the confusion that comes with deciphering this complex system this book provides clear and concise definitions of the most commonly used words phrases and abbreviations in the industry If mental health professionals want to become a part of the managed care system they need to understand the terminology In addition to the easy to understand definitions the author provides examples for further clarification and appendices which include a termination summary a treatment plan a treatment update and a release form for confidential information The idea for this book came about after the author gave a lecture at a national conference and the audience repeatedly asked for definitions of basic managed care terms Therefore this dictionary does not contain a debate on the pros or cons of managed care or an inside look into the managed care system Instead the author has provided a valuable resource for the professional that will answer questions regarding the basic terms of this industry

The Dictionary Of Managed Care Jodi Aronson,2013 The idea of managed care has sparked much controversy including its impact on the insurance industry employer providers of care and the patients themselves In the confusion that comes with deciphering this complex system this book provides clear and concise definitions of the most commonly used words phrases and abbreviations in the industry If mental health professionals want to become a part of the managed care system they need to understand the terminology In addition to the easy to understand definitions the author provides examples for further clarification and appendices which include a termination summary a treatment plan a treatment update and a release form for confidential information The idea for this book came about after the author gave a lecture at a national conference and the audience repeatedly asked for definitions of basic managed care terms Therefore this dictionary does not contain a debate on the pros or cons of managed care or an inside look into the managed care system Instead the author has provided a valuable resource for the professional that will answer questions regarding the basic terms of this industry

Humane Managed Care? Gerald Schamess,Anita Lightburn,1998 You ll take a broad look at the challenges involved in providing effective ethical services in a revolutionised system You ll find proposed solutions for changing and shaping the evolving system And you ll learn about the options opportunities and alternatives the new climate offers you This book includes Present a breadth of perspectives grounded in research from leading practitioners Features many case studies that help you build a basis for informed action Focuses on the critical issues of social work in managed care Looks at relevant research on managed care and presents guidelines and resources for researchers *The Dictionary of Managed Behavioral Healthcare* Jodi Aronson,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company
