Learning the Secrets of English Verse David J. Rothman,Susan Delaney Spear,2022-08-09 This textbook teaches the writing of poetry by examining all the major verse forms and repeating stanza forms in English It provides students with the tools to compose successful lines of poetry and focuses on meter including free verse rhythm rhyme and the many other tools a poet needs to create both music and meaningfulness in an artful poem Presenting copious examples from strong poets of the past and present along with many recent student examples all of which are scanned each chapter offers lessons in poetic history and the practice of writing verse along with giving students a structured opportunity to experiment writing in all the forms discussed In Part 1 Rothman and Spear begin at the beginning with Anglo Saxon Strong Stress Alliterative Meter and examine every major meter in English up to and including the free verse forms of modern and contemporary poetry Part 2 presents a close examination of stanza forms that moves from the simple to the complex beginning with couplets and ending with the 14 line Eugene Onegin stanza The goal of the book is to give students

the essential skills to understand how any line of poetry in English may have been composed the better to enjoy them and then also write their own the keys to the treasure chest Rothman and Spear present a rigorous curriculum that teaches the craft of poetry through a systematic examination and practice of the major English meters and verse forms Under their guidance students hone their craft while studying the rich traditions and innovations of poets writing in English Suitable for high school students and beyond I studied with Rothman in graduate school and went through this course with additional scholarly material This book will help students develop a keen ear for the music of the English language Teow Lim Goh author of *Islanders*

Art Song Carol Kimball,2013-05-01 Book *Art Song* Linking Poetry and Music is a follow up to author Carol Kimball s bestselling *Song A Guide to Art Song Style and Literature* Rather than a general survey of art song literature the new book clearly and insightfully defines the fundamental characteristics of art song and the integral relationship between lyric poetry and its musical settings Topics covered include poetry basics for singers exercises for singers in working with poetry insights into composers musical settings of poetry building recital programs performance suggestions and recommended literature for college and university classical voice majors The three appendices address further aspects of poetry guidelines for creating a recital program and representative classical voice recitals of various descriptions *Art Song* *Linking Poetry and Music* is extremely useful as an unofficial text for college university vocal literature classes as an excellent resource for singers and voice teachers and of interest to all those who are fascinated by the rich legacy of the art song genre

Claiming Sylvia Plath Marianne Egeland,2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular *Claiming Sylvia Plath* is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010 Academic and popular interest in her seems incessant verging on a public obsession The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work A religious tone and a rhetoric of accountability dominate among the devoted Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet In order to offer a new and more nuanced perspective on Plath s public image the reception has been organized into interpretive communities composed of critics feminists biographers psychologists and friends Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories politics careers and a number of other causes Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath* The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide *Claiming Sylvia Plath* suggests a host of possible answers It includes an extensive Plath bibliography
