## **The Disease To Please Curing The People Pleasing Syndrome:**

The Disease to Please: Curing the People-Pleasing Syndrome Harriet Braiker, 2002-03-06 What's wrong with being a people pleaser? Plenty. A fascinating book. If you struggle with where, when, and how to draw the line between your own desires and the demands of others, buy this book. Kay Redfield Jamison, bestselling author of *An Unquiet Mind* and *Night Falls Fast*. People pleasers are not just nice people who go overboard trying to make everyone happy. Those who suffer from the Disease to Please are people who say Yes when they really want to say No. For them, the uncontrollable need for the elusive approval of others is an addiction. Their debilitating fears of anger and confrontation force them to use niceness and people pleasing as self-defense camouflage. Featured on NBC's *Today*. The Disease to Please explodes the dangerous myth that people pleasing is a benign problem. Best-selling author and frequent Oprah guest Dr. Harriet Braiker offers clear, positive, practical, and easily doable steps toward recovery. Begin with a simple but revealing quiz to discover what type of people pleaser you are. Then learn how making even small changes to any single portion of the Disease to Please Triangle involving your thoughts, feelings, and behavior will cause a dramatic, positive, and long-lasting change to the overall syndrome. As a recovered people pleaser, you will finally see that a balanced way of living that takes others into consideration but puts the emphasis first on pleasing yourself and gaining your own approval is the clearest path to health and happiness.

**People-Pleasing Pastors** Charles Stone, 2014-01-10 Charles Stone's research on thousands of pastors and ministry leaders demonstrates the dangers of approval-motivated leadership. Bringing together biblical insights and neuroscience findings, Stone shows why we fall into people pleasing patterns and what we can do to overcome these tendencies and have more effective ministry.

A Brighter Day Gail Thompson, 2009-11-01 Featuring fantastic real-life stories that are contemporary and motivational, this strategy guide for parents provides the necessary tools for those who want to make a difference in their children's education. By addressing difficult issues that have a tendency to distract kids from their studies, such as peer pressure and sexuality, as well as the everyday influence of rap music, television, and video games, these accessible strategies teach parents how to communicate better and raise their expectations of their children. Rounded out by advice on how to help with homework, maintain good grades, and enforce the respect for authority on which a good education depends, this indispensable guide also grants parents better insight into the challenges faced by schools.

*Beyond Happiness* Jennifer Guttman, 2023-05-30 Change the Goal, Not the Feeling. A psychologist's six-step roadmap to a life beyond happiness, one of sustainable lifetime satisfaction. Dr. Jennifer Guttman is a strong advocate of providing guidance for self-improvement outside of the confines of traditional therapy, and to that end, her strategy works so well because of its universal applicability. In *Beyond Happiness*, Dr. Guttman lays out six techniques that will empower you to gain control over your own happiness, avoiding assumptions, reducing people-pleasing behaviors, facing fears, making decisions, closing, and active self-reinforcement. The immense success that Dr. Guttman has had using these techniques within her practice is a testament to just how effective they are. She has

shown how moving beyond happiness to satisfaction and contentment is a very achievable and rewarding journey

**Overcoming Low Self-Esteem with Mindfulness** Deborah Ward,2015-03-19 By working on self esteem with the tools of mindfulness this book offers readers the freedom to break out of unconscious thought habits which dictate unsatisfactory lives and to achieve real freedom and fulfilment Perhaps no other self help topic has spawned so much advice and so many conflicting theories as self esteem It s like salt a little gives flavour strength and coherence to our personalities while lack of it leads to an anodyne life of putting up with abusive situations or relationships leading to depression and lack of fulfilment On the other hand too much self esteem can create an unappealing sense of entitlement pointing to the twisted paths and dark woods of narcissism Using the concept of mindfulness which has been defined as paying attention in a particular way this book looks at the ongoing meditative practice required to gain the right balance of self esteem in a flexible and effective way
