The Dragonsfyre Trilogy Book Two Rise Of The Seven Sisters:

The Dragonsfyre Trilogy J. R. Woltz, 2014-05-12 Know ye now the power of Magick Sir Geoffrey Valhurst has disappeared the High Magick is rapidly vanishing from the land and an even greater threat looms as strange new menacing creatures appear throughout the kingdoms of Victrial and Scotia With one Faerie slain her sisters must rally as they prepare for battle without the use of their enchanted abilities Can the Knight Cavalier be found Can Victrial's ally Scotia be saved Most of all will she the greatest of the Fei be somehow resurrected to fight against the growing threat as the epitome of evil Darcelumbra the Vain continues her savage reign of terror in a quest for nothing less than the destruction of the entire cosmos and so the saga continues as the greatest adventure fantasy of our generation forges on Now from the creative mind of J R Woltz comes the second chapter in one of the most original and compelling stories of epic fantasy ever written Contained within these pages are the metaphor and the allegory of a history long since lost to the mists of time and legend The story that is the Dragonsfyre Trilogy is one of courage love and renewed hope amid the chaos of a spiritual and benevolent world rapidly turning to evil It is in the end a desperate message for our own time as well
