## **The Drama Of Redemption Walking With Jesus From Creation To Canaan:**

*The Drama of Redemption* Sarah Fallis, 2013 How do you make the Bible especially the Old Testament relevant interesting and even exciting to your students How do you avoid getting bogged down in all the events commands and applications And how do you make the stories of those seemingly remote heroes of faith timely in the twenty first century The Drama of Redemption gives you the answer bring Jesus into the story Don't lose Him in the details He is in the Garden of Eden on Mount Moriah and on Jacob's ladder His shadow is in the Jewish feast days in the tabernacle and the Day of Atonement His footprints are throughout the wilderness as God's people travel toward Canaan and He leads the conquest of the Promised Land Learn how to teach the Bible holistically setting the Old Testament story in the overall plan and purpose of God See yourself and your students walking with Jesus from Creation to Canaan Children will be greatly blessed by teachers sharing these lessons that bring to life the presence and power of the Messiah The illustrations alone are worth the price of the book Iris Ramsey This is a must read for children's teachers who seek rich examples and thoughtful writing Dr Stephen B Springer This book will be a wonderful resource for parents and teachers Kathy Pollard [Drama of Redemption](#) Sarah Fallis, 2023-09-15 *The Drama of Scripture* Craig G. Bartholomew, Michael W. Goheen, 2014-07-08 This bestselling textbook surveys the grand narrative of the Bible demonstrating how the biblical story forms the foundation of a Christian worldview The second edition has been thoroughly revised Additional material is available online through Baker Academic's Textbook eSources offering course help for professors and study aids for students Resources include discussion questions a Bible reading schedule an adult Bible class schedule and a course syllabus **Subject Guide to Books in Print**, 1997

**The Drama of Redemption Volume 3** Sarah Fallis, 2020-12-14 The most powerful evidence that the Bible is not the product of men but is indeed the inspired Word of God is also the most neglected in our children's curriculum fulfilled prophecy All of us want our children to be obedient to God but if they are not convinced that the Bible is His divine Word they will not be faithful to Him In this skeptical age of post modern thought and liberal theology we must begin at least as early as elementary school teaching these glorious pictures of the Messiah and His kingdom showing that God is truly the One who knows the end from the beginning and whose counsel shall stand Isa 46:10 In *The Drama of Redemption Walking with Jesus and the Apostles* Sarah Fallis brings out other prophecies not covered in *Walking with Jesus Through The Prophets* in a teach it backward format Knowing that some fulfilled prophecy like Amos 9 Isaiah 42 and Psalm 110 is more easily explained by going from the New Testament usage back to the Old Testament Sarah skillfully shows how to teach these concepts Bible students often hear What the prophets wrote Jesus and the apostles quote However children rarely see this concept in their Bible classes especially from the perspective of the New Testament writers This third book is a natural follow up to the first two books in *The Drama of Redemption* series focusing on how Jesus and the apostles used prophecy in their preaching Sarah shows teachers how to bring the apostles' sermons into the action stories of the Book of Acts so that as

children learn the boldness of the apostles and Paul's missionary journeys they also learn the significance of the message they preached She also shows simple ways to plant the seeds that will help children know the certainty of those things they have been taught when they confront the popular false doctrine of premillennialism as adults Like the other books illustrations charts and side by side Scripture sheets help teachers reinforce the lessons As you continue to explore the unity of the story your faith in God's Word will be amplified and rewarded **Drama of Redemption 2** Sarah Fallis,2023-09-15

**Drama of Redemption 3** Sarah Fallis,2023-09-15 **Promise and Deliverance** S G De Graaf,2021-10-31 De Graaf's renewed insight into Biblical revelation is the unique perspective undergirding his treatment of all the Bible stories It makes his book a unique presentation of God's revelation of Himself in the covenant and keeps his interpretation of the stories from degenerating into mere moralizing De Graaf's theocentric preaching which witnessed to God's sovereignty over the entire life of His people gripped the hearts of his hearers in his day The same emphasis as it comes through in Promise and Deliverance should be a matter of paramount interest and concern today to evangelicals who are manifesting a growing social awareness and seeking more and more points of contact between Christian beliefs and daily life Prof H Evan Runner Calvin College The Drama of Redemption Samuel J. Cartledge,1940 The Progress of Redemption Willem VanGemeran,1996-02-01 Traces the biblical unfolding of God's redemptive plan through 12 epochs Praised by covenant and dispensational theologians alike The Drama of Redemption Joel Wingo,2009-02-04 This is a concise survey of the Bible focusing on the theme of redemption in Jesus Christ which ties all of the books of the Bible together *From Condemnation to Redemption* Barbara Amajoyi,2023-02-09 From Condemnation to Redemption was imagined one beautiful morning while sharing the Word on Periscope TV The Holy Spirit quickened me to put some of the things I was sharing in writing Right after the end of the Bible study on this day my son called me and said Mom I hope you are putting this in writing The Holy Spirit immediately gave me the title of the book Jesus Christ came to redeem us from condemnation to redemption We were condemned when we fell short of God's glory due to sin But God so loved the world that he gave his only begotten son that whosoever believes in him will not perish but have eternal life John 3:16 This book reveals the plan of God for humanity as said in Genesis 1:26 Man fell short of that plan due to sin Jesus came to redeem man from sin and put us back into the right place with God the place of dominion authority and righteousness **The Redemption Story** Werner Trapp,2010-11 The Redemption Story is written to give believers a better defense against the attacks of unbelievers against the Evangelical faith and its base the Bible Questions are answered in regards to creation Noah's Flood the resurrection of Jesus Christ and points of end time events to mention a few The thinking Evangelical can on the basis of the information found in this book easily find out the answer to a question like this If there was only Adam Eve Cain and Abel on Earth where did Cain's wife come from So the object towards the believer is to strengthen his understanding and faith This book is also written to engender the curiosity interest and awaken confidence in those who know nothing or little of the Bible and the Christian faith *A History*
