The Duality of Human Existence David Bakan,1966 For clergy present and prospective as well as students of the psychology of religion **The Duality of Human Existence** David Bakan,1966 *Working with Spiritual Struggles in Psychotherapy* Kenneth I. Pargament,Julie J. Exline,2021-10-04 Does my life have any deeper meaning Does God really care about me How can I find and follow my moral compass What do I do when my faith is shaken to the core Spiritual trials doubts or conflicts are often intertwined with mental health concerns yet many psychotherapists feel ill equipped to discuss questions of faith From pioneers in the psychology of religion and spirituality this book combines state of the art research clinical insights and vivid case illustrations It guides clinicians to understand spiritual struggles as critical crossroads in life that can lead to brokenness and decline or to greater wholeness and growth Clinicians learn sensitive culturally responsive ways to assess different types of spiritual struggles and help clients use them as springboards to change **Inner Messiah, Divine Character** Benjamin Yosef,2014-07-29 Inner Messiah Divine Character encourages readers to deploy their imaginations in describing their lives as a confluence of narrative constructs to identify analyze and overcome obstacles and destructive patterns in both their personal and professional lives The book promotes a three point strategy to empower and to improve readers attitudes about their personal and professional struggles Drawing on the scholarship of Ancient Jewish mysticism and its influence on Freudian and Jungian analysis Inner Messiah Divine Character helps readers discover the Be within their Being to create new opportunities in the present motivates readers to perceive Beyond their limitations and ordinary expectations and encourages readers to strive for the superlative in their endeavors to achieve their Best

Remembering for the Future J. Roth,E. Maxwell,2017-02-13 Focused on The Holocaust in an Age of Genocide Remembering for the Future brings together the work of nearly 200 scholars from more than 30 countries and features cutting edge scholarship across a range of disciplines amounting to the most extensive and powerful reassessment of the Holocaust ever undertaken In addition to its international scope the project emphasizes that varied disciplinary perspectives are needed to analyze and to check the genocidal forces that have made the Twentieth century so deadly Historians and ethicists psychologists and literary scholars political scientists and theologians sociologists and philosophers all of these and more bring their expertise to bear on the Holocaust and genocide Their contributions show the new discoveries that are being made and the distinctive approaches that are being developed in the study of genocide focusing both on archival and oral evidence and on the religious and cultural representation of the Holocaust *California. Court of Appeal (1st Appellate District). Records and Briefs* California (State)., **Religious Experience: Its Nature and Function in the Human Psyche** Walter Houston Clark,1973 **The Master and His Emissary** Iain McGilchrist,2019-03-26 A new edition of the bestselling classic published with a special introduction to mark its 10th anniversary This pioneering account sets out to understand the structure of the human brain the place where mind meets matter Until recently the left hemisphere of our

brain has been seen as the rational side the superior partner to the right But is this distinction true Drawing on a vast body of experimental research Iain McGilchrist argues while our left brain makes for a wonderful servant it is a very poor master As he shows it is the right side which is the more reliable and insightful Without it our world would be mechanistic stripped of depth colour and value
