

# The Duel

10 May - 31 July 1940: The Eighty-Day Struggle  
Between Churchill and Hitler

John Lukacs

# The Duel The Eighty Day Struggle Between Churchill And Hitler

**John Lukacs**

## **The Duel The Eighty Day Struggle Between Churchill And Hitler:**

*The Duel* John Lukacs, 2001-03-11 This is a day by day account of the eighty day struggle in 1940 between Hitler poised on the edge of absolute victory and Churchill threatened by imminent invasion and defeat on the eve of the second World War A masterful book masterful in its portrayal of its protagonists masterful in its overall understanding of the death struggle in which they engaged masterful above all in its vivid suspenseful chronicling of the most momentous eighty days in the history of this century Geoffrey Ward This is a marvelous book John Lukacs has lucid unsentimental insight into the mind and character of both Churchill and Hitler Conor Cruise O'Brien A wonderful story wonderfully told George F. Will It is salutary to be reminded in this powerful study how close Hitler came to winning in 1940 An impressive study written with elegance and panache Peter Stansky New York Times A master of narrative history on a par with Barbara Tuchman and Garrett Mattingly Kirkus Reviews *The Duel* John Lukacs, 1992 *Duel* John Lukacs, 1992-02-01 Depicts the eighty day struggle in 1940 between Adolph Hitler and Winston Churchill revealing how close England and the democratic world came to losing World War II

## **Annotated Bibliography of Works About Sir Winston S. Churchill**

Curt Zoller, Richard M. Langworth, 2015-06-01 This unique resource will be an enormous aid and impetus to Churchill studies It lists over 600 works with annotations and includes sections listing an additional 5 900 entries covering book reviews significant articles and chapters from books Separate author and title indexes will allow the user to locate specific entries The book's aim is to direct students researchers and bibliophiles to the entire corpus of works about Churchill **History and the Human Condition** John Lukacs, 2014-04-08 In a career spanning more than sixty five years John Lukacs has established himself as one of our most accomplished historians Now in the stimulating book *History and the Human Condition* Lukacs offers his profound reflections on the very nature of history the role of the historian the limits of knowledge and more Guiding us on a quest for knowledge Lukacs ranges far and wide over the past two centuries The pursuit takes us from Alexis de Tocqueville to the atomic bomb from American exceptionalism to Nazi expansionism from the closing of the American frontier to the passing of the modern age Lukacs's insights about the past have important implications for the present and future In chronicling the twentieth century decline of liberalism and rise of conservatism for example he forces us to rethink the terms of the liberal versus conservative debate In particular he shows that what passes for conservative in the twenty first century often bears little connection to true conservatism Lukacs concludes by shifting his gaze from the broad currents of history to the world immediately around him His reflections on his home his town his career and his experiences as an immigrant to the United States illuminate deeper truths about America the unique challenges of modernity the sense of displacement and atomization that increasingly characterizes twenty first century life and much more Moving and insightful this closing section focuses on the human in history masterfully displaying how right Lukacs is in his contention that history at its best is personal and participatory *History and the Human Condition* is a fascinating work by one of the finest historians of our time More than

that it is perhaps John Lukacs's final word on the great themes that have defined him as a historian and a writer **Last Rites** John Lukacs, 2009-02-24 A master historian offers an eloquent and personal auto history of his life and his ideas Twenty years ago John Lukacs paused to set down the history of his own thoughts and beliefs in *Confessions of an Original Sinner* an adroit blend of autobiography and personal philosophy Now in *Last Rites* he continues and expands his reflections this time integrating his conception of history and human knowledge with private memories of his wives and loves and enhancing the book with footnotes from his idiosyncratic diaries The resulting volume is fascinating and delightful an auto history by a passionate authentic brilliant and witty man Lukacs begins with a concise rendering of a historical understanding of our world essential reading for any historian then follows with trenchant observations on his life in the United States commentary on his native Hungary and the new meanings it took for him after 1989 and deeply personal portraits of his three wives about whom he has not written before He includes also a chapter on his formative memories of May and June 1940 and of Winston Churchill a subject in some of Lukacs's later studies *Last Rites* is a richly layered summation combined with a set of extraordinary observations an original book only John Lukacs could have written Praise for *Confessions of an Original Sinner* Lukacs is an often witty and always fascinating even entertaining writer *Washington Post* [1,000 Books to Read Before You Die](#) James Mustich, 2017-03-28 The ultimate literary bucket list *The Washington Post* If there's a heaven just for readers this is it O *The Oprah Magazine* Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable entertaining surprising and enlightening as the 1 000 plus titles it recommends Covering fiction poetry science and science fiction memoir travel writing biography children's books history and more *1 000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation You have to read this But it's not a prescriptive list of the great works rather it's a celebration of the glorious mosaic that is our literary heritage Flip it open to any page and be transfixed by a fresh take on a very favorite book Or come across a title you always meant to read and never got around to Or like browsing in the best kind of bookshop stumble on a completely unknown author and work and feel that tingle of discovery There are classics of course and unexpected treasures too Lists to help pick and choose like *Offbeat Escapes* or *A Long Climb* but What a View And its alphabetical arrangement by author assures that surprises await on almost every turn of the page with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings* Alice Walker next to Izaac Walton There are nuts and bolts too best editions to read other books by the author if you like this you'll like that recommendations and an interesting endnote of adaptations where appropriate Add it all up and in fact there are more than six thousand titles by nearly four thousand authors mentioned a life changing list for a lifetime of reading 948 pages later you still want more **THE WASHINGTON POST** [Churchill's Deception](#) Louis C. Kilzer, 1994 They invited the Deputy Führer of Germany Rudolf Hess to attend a peace conference at which Hitler would negotiate the coming invasion of the Soviet Union with the British

Peace Party    **Hitler's Traitor** Louis C. Kilzer,2000 After providing the reader with the necessary background information author Kilzer thoroughly examines all possibilities Conclusively he identifies Hitler s chief henchman as the traitor codenamed Werther BOOK JACKET    **The New Republic** Herbert David Croly,1997    **The Story of World War II** Donald L. Miller,Henry Steele Commager,2001 The Story of World War II is a completely rewritten expanded and updated version more than 75 percent new of the classic narrative of the war that captures all the immediacy of the original work and contains hundreds of new firsthand accounts The Story of World War II contains more than 130 photographs and 22 maps BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved    **The New Hungarian Quarterly** Iván Boldizsár,1992    The End of the Twentieth Century and the End of the Modern Age John Lukacs,1993 Examines the twentieth century where society is today how it got there and where it is headed    Blood, Toil, Tears, and Sweat John Lukacs,2008-05-13 Churchill s first speech as Prime Minister Jkt    *The Hungarian Quarterly* ,2004    NHQ; **the New Hungarian Quarterly** ,1992    New Hungarian Quarterly ,1993    **American Book Publishing Record** ,1991    **The Basis and Making of British Grand Strategy, 1940-1943** Brian Padair Farrell,1998    Words on Cassette, 2002 R R Bowker Publishing,2002
