The Devil You Know Felix Castor:

The Devil You Know Mike Carey, 2007-07-10 Author of *The Girl With All the Gifts* Mike Carey presents the first book in his hip supernatural thriller series featuring freelance exorcist Felix Castor. Felix Castor is a freelance exorcist and London is his stomping ground. It may seem like a good ghostbuster can charge what he likes and enjoy a hell of a lifestyle, but there's a risk sooner or later he's going to take on a spirit that's too strong for him. When Castor accepts a seemingly simple ghost hunting case at a museum in the shadowy heart of London, what should have been a perfectly straightforward exorcism is rapidly turning into the *Who Can Kill Castor* First Show, with demons and ghosts all keen to claim the big prize. But that's business as usual. Castor knows how to deal with the dead. It's the living who piss him off. The Devil You Know Mike Carey, 2007-06 Felix Castor is a freelance exorcist and London is his stamping ground. At a time when the supernatural world is in upheaval and spilling over into the mundane reality of the living, his skills have never been more in demand. A good exorcist can charge what he likes and enjoy a great lifestyle, but there's a risk sooner or later he's going to take on a spirit that's too strong for him. **The Naming of the Beasts** Mike Carey, 2018-07-10 Author of *The Girl With All the Gifts* Mike Carey presents the fifth book in his hip supernatural thriller series featuring freelance exorcist Felix Castor. They say the road to Hell is paved with good intentions, but if you ask Castor, he'll tell you there's quite a bit of arrogance and reckless stupidity lining the streets as well. He should know. There's only so many times you can play both sides against the middle and get away with it. Now the inevitable moment of crisis has arrived, and it's left Castor with blood on his hands. Castor drowns his guilt in cheap whiskey while an innocent woman lies dead and her daughter comatose; his few remaining friends fear for their lives, and there's a demon loose on the streets. But not just any demon: this one rides shotgun on Castor's best friend's soul and can't be expelled without killing him. Looks like Felix Castor's got some tough choices to make because expel the demon, he must, or all Hell will break loose. *Vicious Circle* Mike Carey, 2008-06-12 A freelance exorcist helps a grieving couple find their daughter's ghost in this supernatural thriller by the author of *The Girl with All the Gifts*. Carey juggles characters and bits and pieces of plot like a man with a thousand arms, catching each word and positioning it in exactly the right place in this deftly crafted can't-turn-the-page-fast-enough read. Kirkus Reviews starred review. Felix Castor has reluctantly returned to exorcism after a successful case convinces him that he really can do some good with his abilities, good of course being a relative term when dealing with the undead. His friend Rafi is still possessed; the succubus Ajulutsikael Juliet to her friends still technically has a contract on him, and he's still dirt poor. Doing some consulting for the local cops helps pay the bills, but Castor needs a big private job to really fill the hole in his bank account. That's what he needs. What he gets is a seemingly insignificant missing ghost case that inexorably drags him and his loved ones into the middle of a horrific plot to raise one of hell's fiercest demons. When Satanists, stolen spirits, sacrifice farms, and haunted churches all appear on the same police report, the name Felix Castor can't be too far behind. A treat for fans of supernatural fiction and of private eye yarns. Genre
