The Divine Secret Garden Forbidden Gospel Children Of The Harvest:

The Divine Secret Garden - Forbidden Knowledge - Children of the Harvest John Panella, 2023-04-19 The world renowned series The Divine Secret Garden has returned for the first time ever in hard cover form with a newly updated understanding of the secret mysteries brought to humanity by the Christ A very long time ago this message was brought to the true children and has been manipulated to where it is not even recognizable anymore A revelation that is beyond anything most could ever imagine A parable so astounding that it could change the entire world's paradigm This missing protocol reveals certain people were encoded with a master key that would allow them to escape the prison of the mind The Forbidden Knowledge John Panella, 2017-05-03 BOOK ONE WARNING Ask and it shall be given Seek and you shall find The Divine Secret Garden Communicates to those who are desiring to advance to another level altogether in learning the true mysteries of Christ John V Panella has been writing for over 40 years his mission is about re-introducing the lost children back to their Father and restore lost truths from the ancient world John also known as John the Gnostic as well as John Peniel has decoded the mystical revelation of Jesus Christ Parables and has exposed the esoteric mystery within the Bible along with other ancient works in a simple and easy to understand format in his series of books called The Divine Secret Garden Do not read these books if all you are doing is trying to support a belief system and or are trying to find fault These books provide the OIL necessary to combat the programming that has led everyone astray therefore they must be read repeatedly as a way to keep the spiritual lamp filled These books have been specially coded and written only for the true children of the Father to be read in order To them that hath ears let them hear and to them that hath eyes let them see Only those who know and understand the Father's voice will witness the jewel of their crown the rest will be angered and reject the Word within and must be reseeded The Divine Secret Garden - Forbidden Knowledge - Children of the Harvest PAPERBACK John Panella, 2023-04-29 The world renowned series The Divine Secret Garden has returned with a newly updated understanding of the secret mysteries brought to humanity by the Christ A very long time ago this message was brought to the true children and has been manipulated to where it is not even recognizable anymore A revelation that is beyond anything most could ever imagine A parable so astounding that it could change the entire world's paradigm This missing protocol reveals certain people were encoded with a master key that would allow them to escape the prison of the mind *The Divine Secret Garden* John V. Panella, 2013-06-03 Could it be that the most important message Jesus Christ brought to this earth has been forbidden Is it possible that the real message would unscramble all of the confusion by restoring the missing link in Religion Many know for a fact that much of the Biblical message has been altered to serve those who desire power and control And yet has it ever occurred to you that the reason many have been deceived which eventually led into the creation of multiple thousands of different faiths and beliefs which created disharmony and division is because the original message was never removed from the biblical text it was simply covered over due to a lack of knowledge of what the content revealed Christ

implanted an oral mystery that the editors never understood So they added a false message which was deviously and nefariously mingled within the constructs of the original message thereby creating enough confusion to remove real understanding of the text and its meaning thus creating even more deception than if the entire text was inaccurate This book is going to provide a key to unlock a code It will not answer all of your questions but it will enable you to unlock the code to comprehend anything you desire The Divine Secret Garden is a key decipher It was designed to allow you to discover what information was added or deleted without having to search the historical records or uncover ancient buried texts You will never feel the same again once this KEY has been added into your thought process everything will begin to make perfect sense Lights bells and whistles will alert you to every error that was once taken for granted but now will be the subject of deeper scrutiny The Author of the Book is not here to answer all of your questions nor take you down the long winding and confusing road of intellectualism that usually is a trap set aside to deceive This book is not going to debate who has the truth or who doesn't It is simply going to give you the keys to finally enable your mind to grasp the Forbidden Gospel You read that correctly not a lost Gospel but a forbidden one A gospel so powerful that it was not even allowed to be recognized History doesn't even comprehend that it ever existed because it was never written down it was forbidden It can not be located on lost buried artifacts It doesn't exist in the archives of any ancient library It was so hidden so removed from the annals of historical documents that it will shock you senseless when you realize how amazingly powerful and easy a tiny little key can be Yes you will be stunned amazed shocked and flabbergasted to realize that anyone even as young as a child could grasp the lost WORD easily and quickly You will be able to recognize the truth from error almost instantly when you hold this key You will not need a college education you will not need a doctorate in religious studies Anyone that is a Master of Theology will easily be maneuvered aside by your amazing knowledge and wisdom Once upon a time when Christ was 12 years old he went into the Temple and astounded and confounded Greek Scholars all because this young child held the KEY Once you hold the Key there is nothing that can overwhelm you or fool you It will be like having a hot knife cutting through butter The Forbidden Gospel will be so easy and simple to understand it will make you wonder why so many have been misled The wisest among all will appear as fools to those who have the key and today you have the option to access this key to the code to allow you to finally understand the Forbidden Gospel Or you can go on believing what has been handed down even though it is nothing but confusion and has deceived the whole world It is your choice This is a must read for everyone
