**A Widow's Walk** Marian Fontana, 2011-12-13 On September 11 I dropped my son off at his second full day of kindergarten The sky was so blue it looked as if it had been ironed I crossed the street ordered coffee and sat to wait for my husband to meet me It was our eighth wedding anniversary and Dave and I were about to begin a new chapter in our seventeen years together Sipping coffee I watched as a line of thick black smoke crept across the sky from Manhattan oblivious to the fact that my life was about to change forever On September 11 2001 Marian Fontana lost her husband Dave a firefighter from the elite Squad 1 in Brooklyn in the World Trade Center attack A Widow's Walk begins that fateful morning when Marian a playwright and comedienne became a widow a single mother and an unlikely activist Two weeks after 9/11 the city attempted to close Squad 1 which had suffered the loss of twelve men Known for her feisty spirit and passionate loyalty Marian who was still reeling

from her profound loss began to mobilize the neighborhood to keep the firehouse open From this unlikely platform the 9 11 Widows and Victims Families Association grew Over the next twelve months Marian struggled with the tragedy s endless ripple effects from the minute and deeply personal she wonders who will play Star Wars with her son Aidan and carry him on his shoulders to the collective she works to get families and widows necessary information about the recovery effort and attends private meetings with Governor Pataki Mayor Giuliani Senator Clinton and Mayor Bloomberg Through it all Marian s irrepressible humor is her best armor as well as evidence of her buoyant strength Written with great heart and humanity A Widow s Walk is a timely opportunity for remembrance and a timeless testament to love s loss and the resilience of the human spirit

**The Widow's Walk** Robert Barclay, 2014-04-29 In the spirit of *The Notebook* and *The Time Traveler s Wife* comes Robert Barclay s haunting and romantic novel of passion destiny loss and an eternal love that will bring two people together across time His name was Garrett Richmond and he had always wanted to live by the ocean So when the opportunity to buy and renovate the old home known as Seaside arrived he leapt at the chance Never mind that his friends and family thought he was crazy he knew he could return this lonely mansion worn by time wind and neglect to its former beauty But Seaside was more than just a project it was spot that had called to him his entire life And then one night he saw her Her name is Constance Elizabeth Canfield and she tells him Seaside has been her home for over 150 years But Constance is no ghost rather she claims that she has been somehow magically trapped between this life and the next At first Garrett can t believe her crazy story the woman had to be lying And yet there was something about Constance that was from another time Soon this mysterious woman and flesh and blood man share a closeness they cannot deny But just as their love begins to bloom Constance s presence starts mysteriously fading away soon to be gone forever Is their love doomed or is it strong enough to transcend time and even death itself
