This End Stella Benson:

This Is the End Stella Benson, 2004-10 This is the end for the moment of all my thinking this is my unfinal conclusion There is no reason in tangible things and no system in the ordinary ways of the world Hands were made to grope and feet to stumble and the only things you may count on are the unaccountable things System is a fairy and a dream you never find system where or when you expect it There are no reasons except reasons you and I don't know I should not be really surprised if the policeman across the way grew wings or if the deep sea rose and washed out the chaos of the land I should not raise my eyebrows if the daily press became the Little Sunbeam of the Home or if Cabinet Ministers struck for a decrease of wages I feel no security in facts precedent seems no protection to me The wisdom you can find in an Encyclopedia or in Selfridge's Information Bureau seems to me just a transitory adaptation to quicksand circumstances This is the End, by Stella Benson Stella 1892-1933 Benson, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *This Is the End* Benson Stella, 2015-11-01 Stella Benson 6 January 1892 7 December 1933 was an English feminist novelist poet and travel writer Stella spent the winter of 1913 14 in the West Indies which provided material for her first novel *I Pose* 1915 Living in London she became involved in women's suffrage as had her older female relatives During World War I she supported the troops by gardening and by helping poor women in London's East End at the Charity Organisation Society These efforts inspired Benson to write the novels *This Is the End* 1917 and *Living Alone* 1919 *Living Alone* is a fantasy novel about a woman whose life is transformed by a witch She also published her first volume of poetry *Twenty* in 1918 ***I Pose, This Is the End, and Living Alone*** Stella Benson, 2016-01-05 3 Books By Stella Benson *I Pose* *This Is the End* *And Living Alone* **THIS IS THE END BY STELLA BENS** Stella 1892-1933 Benson, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the
