Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber's origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is

addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book **Far Eastern Economic Review** ,1995 **PC World** ,1993 PC/Computing ,1993-07 Samsung Galaxy S20 For Seniors Scott La Counte,2020-08-14 You got a Galaxy Where s the manual Smartphones are great When you know how to use them But what if you are new to Galaxy Perhaps you had another Android phone Or an iPhone Or maybe you had an ancient Windows phone and this is your first upgrade in years Don t worry This guide has you covered There are plenty of guides that will tell you every single thing the phone does They re great doorstops This guide is for people who need the basics and they need them quick If you are looking for something comprehensive that tells you how to side load apps and do things the average person who never do then keep looking But if you need something that will help you get started then read on Inside you ll learn about What makes Galaxy different from iOS Android and other smartphones Setting up your phone Making calls Installing apps Accessibility features Using the camera Surfing the Internet Changing system settings And much more This guide also includes a bonus guide on using Gmail NOTE This guide is not endorsed by Samsung and should be considered unofficial Samsung Galaxy S21 5G For Seniors Scott La Counte, Learn the Samsung Galaxy You ve heard all about how great your new high tech phone is Terrific But how on Earth do you use all of those features There are plenty of books that will tell you every single thing you can do with your new phone And I mean everything because they re hundreds of pages long This book is for people who want to know how to use the features they ll actually use If you are looking for something comprehensive that tells you how to side load apps and do things the average person who never does then keep looking But if you need something that will help you get started then read on Inside you ll learn about What makes Galaxy different from iOS Android and other smartphones Using Samsung SmartTag Setting up your phone Making calls Installing apps Accessibility features Using the camera Surfing the Internet Changing system settings And much more This guide also includes a bonus guide on using Gmail NOTE This guide is not endorsed by Samsung and should be considered unofficial **The Ridiculously Simple Guide to the Samsung Galaxy S20** Scott La Counte,2020-09-13 Unlock all the features of your Galaxy phone When it comes to popular phones most people think about iPhone that s a shame because while Apple may dominate the headlines when it comes to number of phones sold and technology innovation Samsung frequently has them beat If you are making the switch from iPhone to Samsung or are upgrading from another Android or Samsung phone then this guide will walk you through the basics of the OS You ll learn about Setting up your phone Making calls Installing apps Using the camera Surfing the Internet Changing system settings And much more NOTE This guide is not endorsed by Samsung and should be considered unofficial **Samsung Galaxy S21 For Dummies** Bill Hughes,2021-03-23 Feeling hamstrung by your new Samsung Figure out how to navigate your new phone in no time Your Samsung Galaxy comes packed with features you ll use every day and Samsung Galaxy S21 For Dummies is your guide to exploring them What do you want to do first Send a text or email Take photos and videos Make a basic call Play
