Disclaimer This Entangled Teen Crush book contains references to drinking addiction and just the right amount of angst You'll want to save this tortured hero while at the same time not want to change a single thing about him Five years That's how long I've been gone Since I left my best friend the girl I loved behind Five seconds That's how long it takes to realize I am completely utterly screwed Because now that I'm back my childhood crush has turned into so much more Rylee has changed We both have And now I'm drawn to her in a completely different way To her smile Her touch To reliving old memories and making new ones To the happiness she's always given me that I haven't felt since I left But her friends are hell bent on keeping us apart My dad is one drink away from destroying both of our lives and maybe I am too It's only a matter of time before I have to leave again and there's nothing I can do to stop it I never get a choice The one choice I can make Stay away from Rylee Because if I don't I'll break her heart and mine all over again Hold My Breath Ginger Scott,2016-11-18

Fractions of seconds can do lots of damage One decision can ruin lives A blink can be tragic And loving a Hollister can hurt like hell I would know They say the average person can hold their breath under water for two full minutes when pushed to the extremes Will Hollister has been holding his for years The oldest of two elite swimming brothers Will was always a dominant force in the water But in life he preferred to let his younger brother Evan be the one to shine Evan got the girl and Will he got to bury all of the secrets A brother's burden the weight of it all nearly left him to drown The daughter of two Olympians my path was set the day my fingertips first touched water My future was as crystal clear as the lane I dominated in the pool swim hard win big love a Hollister My life with Evan burned bright He gave me arms to come home to and a smile that fooled the world into believing everything was perfect But it was Will who pushed me Will who really knew me And when all of the pieces fell it was Will who started to pick them up In the end the only thing that matters are those few precious seconds and what we decide to do while we still have them in our grasp
