The Discourse of Online Consumer Reviews Camilla Vásquez, 2014-06-19 The Discourse of Online Reviews is the first book to provide an account of the discursive pragmatic and rhetorical features of this rapidly growing form of technologically mediated communication Examining a corpus of over 1 000 consumer reviews Camilla Vásquez explores many of the discourse features that are characteristic of this new user generated computer mediated and primarily text based genre She investigates the language used by reviewers as they forge connections with their audiences to draw them into their stories as they construct their expertise and authority on various subjects and as they evaluate and assess their consumer experiences She also demonstrates how reviewers display their awareness about emerging conventions of the very genre in which they are participating This book adopts an eclectic approach to the analysis of discourse and explores topics such as evaluation identity and intertextuality as they occur in online reviews of hotels restaurants recipes films and other consumer products

**Dystopian States of America** Matthew B. Hill, 2022-09-13 Dystopian States of America is a crucial resource that studies the impact of dystopian works on American society including ways in which they reflect our deep and persistent fears about environmental calamities authoritarian governments invasive technologies and human weakness Dystopian States of America provides students and researchers with an illuminating resource for understanding the impact and relevance of dystopian and apocalyptic works in contemporary American culture Through its wide survey of dystopian works in numerous forms and genres the book encourages readers to connect with these works of fiction and understand how the catastrophically grim or disquieting worlds they portray offer insights into our own current situation In addition to providing more than 150 encyclopedia articles on a large and representative sample of dystopian apocalyptic narratives in fiction film television and video games including popular works that often escape critical inquiry Dystopian States of America features a suite of critical essays on five themes war pandemics totalitarianism environmental calamity and technological overreach that serve as the foundation for most dystopian worlds of the imagination These offerings complement one another enabling readers to explore dystopian conceptions of America and the world from multiple perspectives and vantage points

**Hi Fi/stereo Review**, 1998-07 Alberta Law Review, 2013 Provocation in Women's Filmmaking Janice Loreck, 2023-03-08 Critics regularly use the term provocateur to describe controversial film directors Although most individuals who attract this term are men there is a long and largely unexamined history of female auteurs who shock and unsettle their viewers Provocation in Women's Filmmaking Authorship and Art Cinema investigates how women directors participate in the tradition of provocative art

cinema Focusing on the post millennium films of auteurs such as Lisa Aschan Catherine Breillat Jennifer Kent Isabella Eklof Lucile Hadzihalilovic Claire Denis Anna Biller and Athina Rachel Tsangari this book considers the aesthetics and strategies of women s provocative filmmaking in contemporary cinema Challenging the gendering of provocation as a hyper masculine mode of authorship the book uncovers an enticing and complex array of divisive works by women     *Minnesota Law Review*

,2015     *Translating Spanglish in US Latinx Audiovisual Stories* Remy Attig,Roshawnda A. Derrick,2025-06-27 This collection showcases interdisciplinary perspectives on how Spanglish is translated across different forms of audiovisual media for different audiences in the US Latinx content The volume explores the ways in which Spanglish is used in American media to portray the hallmark linguistic characteristics of the communities in which they are set but also the different scholarly approaches employed to analyze them in existing research The first section looks at the interplay of code switching translanguaging and linguistic identity in television shows and films but also podcasts music and other emergent forms of media The second part examines US Latinx stories through the lens of translation studies with chapters showcasing different lines of inquiry within contemporary translation scholarship including accessibility via captioning and interlingual translation through subtitling and dubbing Taken together the volume offers a holistic view on how Spanglish is translated in US Latinx stories towards paving the way for future research in this context but also on multilingual and translingual audiovisual stories more broadly This book will be of interest to scholars in sociolinguistics translation studies language and media media studies and Latinx studies
