Knowledge without action is worthless. Jason Sisneros Chairman Anton Jae Global Ever tried to hustle your way through a high stakes poker game knowing that the month's rent was on the line. Ever used the velvet touch of persuasion to angle your next pool shot or card play ensuring the game's outcome before the final move. That's where I crafted my mastery in sales. Some get their sales savvy from polished boardrooms or prestigious MBA programs. Me I learned the art of sales persuasion and negotiating in the streets. Every move was calculated and every game was a lesson in negotiation. The streets were my Ivy League teaching me more about the human psyche and persuasive moves than any traditional classroom ever could. In this book I reveal how the art of the hustle from setting up poker games to guaranteeing wins in pool by sheer negotiation prowess sculpted me into a sales titan. But this isn't just about my glory days on the streets. It's about translating that raw unfiltered skill into a sales methodology so potent that today I'm recognized as one of the nation's premier sales trainers molding elite sales teams and advising the behemoths of the corporate world. While many said I was just a gambler they didn't see the strategist within. My stories of perseverance grit and the raw energy of someone who's played against the house and walked away with the jackpot will prove to you that the world of sales isn't just about transactions it's about strategy audacity and setting the stage for the win.
