Romantasy S Discount Returns:

California Lawyer, 1991 **Cosmopolitan**, 1992 *Return* Andra-Cristiana Stan, 2020-08-28 Billionaire romance and curvy romance with the touch of unseen forces Return is the third book in the Icy Shots on a Hot Billionaire series Eric and Selena's story continues from where it is left only that this time things from the far past come into present threatening her life and their baby's Though you're used to the insane story and the persons they are more craziness is added as their life gets a touch or more of the paranormal and how they are bonded from previous lives a fate that was meant to be for their love story but seasoning it with more dangers having a series of battles that might put their love and life at stake Will they prevail and their pure love for each other and their baby's life will be secured As a hint of what's coming upon you with this third book in the series Angel and Satan are no longer just nicknames They didn't know how right they were But not against each other For what's coming their way Author promises a HEA though the twists and turns will be as never before And yes you'll have same romance comedy action and all the suit you've been used to so far just added adrenaline *Riordan* Kathi S. Barton, 2015-10-05 Riordan Harrison can't believe it Everyone is pissed at him and he doesn't see what the fuss is all about All he did was tell the woman that she was his mate He couldn't help it that his tiger caused him to pin the woman to the counter and she proceeded to throw him to the ground and cover him with sticky pastries Now no one will talk to him including his secretary He hasn't claimed the woman yet and it is all seeming like it's more trouble than it's worth Storm Browning Stormy to her friends is a wounded war hero She's done her duty and just wants to live a quiet life run her little bakery without any hitches The majority of the men she commanded in the war had been shifters so she wasn't surprised when the big oaf sniffed her out claiming that she was his mate But that doesn't mean she has to agree with it What else could she do He had to go He'd hightail it and run anyway when he saw her scars they all did She couldn't emotionally handle that not again at any rate But if Riordan is going to get back on everyone's good side he'll have to make peace with the woman Even though he thinks he's innocent he'll go for a visit and maybe apologize but after he gets there things go from bad to worse Stormy is targeted for assassination and he's in the line of fire
