*Leadership & Rock & Roll* Beth Bratkovic, 2010-11 This book is about the many different ways that leadership can be integrated into life When John Quincy Adams the sixth president of the United States of America said If your actions inspire others to dream more learn more do more and become more you are a leader he did a good job of crystallizing this approach to leadership Consider the influence you have each and every day with the people in your life from the people you work with plan with eat with chat with coach cajole or even simply meet on the street Two things have influenced me throughout life leadership and rock and roll Leadership has been my professional life I've been learning about it practicing it and training others to lead for more than twenty years I've been listening to rock and roll and getting inspired by it for a lot longer than twenty years The concept of this book is born from one fact there is an opportunity for ineffective leaders to become tolerable for tolerable leaders to become good and for good leaders to become great How are you using your life to become a better leader This book provides some anecdotes and a framework to help you apply leadership to every aspect of your life
