GURMEET SINGH DANG, Cultural Funding and Financing Carolina Dalla Chiesa, Anders Rykkja, 2026-01-03 This edited open access volume offers a comprehensive analysis of new and traditional funding models for the arts and culture In the economic and political contexts of reduced art funding the book takes an objective pragmatic and heterodox approach to demonstrate how financial sustainability in the arts can be achieved via a range of top down and bottom up mechanisms which are valued either in terms of institutional or crowd based legitimacy The book aims to offer both a scholarly interpretation of established and emerging funding and financing practices within the cultural and creative sector as well as guidance for artists creators and cultural programmers through various case studies and multiple examples of current practices Contributions are divided into three sections Section one outlines the most important traditional tools and models while the second part covers the key contemporary practices premised on the use of digital platforms and the final part introduces several case studies The objective of this volume is to demonstrate that while traditional models show no signs of being supplanted digitalisation has facilitated the emergence of new forms Such an evolution has consequences for creators of works as well as those willing to support them The contributions address these issues by investigating and analysing the individual or combined adoption of traditional and new funding and financing models in a post digital context Europe Tourism eBook GURMEET SINGH DANG, *De Gruyter Handbook of Media Economics* Ulrike Rohn, M. Bjørn Rimscha, Tim

Raats,2024-05-20 The handbook presents key contributions from scholars worldwide providing a comprehensive exploration of current trends in media industries from diverse perspectives Within the framework of understanding contemporary and future trajectories in media markets and industries the volume delves into their influence on media organization and delivery along with broader societal and market implications Encompassing research at the crossroads of economics management political economy and production studies the handbook emphasizes the necessity for a robust interdisciplinary dialogue Beyond scrutinizing present and forthcoming industry developments the handbook addresses pivotal issues pertaining to media economics research methods and pedagogy It serves as a valuable resource for scholars students and media professionals providing insights into media economics as an academic field and delving into the multifaceted dynamics that shape the media landscape Doing this it contributes to the ongoing discourse on the evolving nature of media markets and their profound impact on society

**The Four Competitive Business Drivers** Jorge Sá,Magda Pereira,2026-01-13

Sometimes management books achieve a clear cut distinction between strategy and tactics Seldom they include the business model as a third competitiveness driver And never so far has the theory of business been considered as a fourth required performance vector different from all other three However organizational optimization requires all four the why where what and how The theory of business Drucker is the why the company makes sense The reality assumptions the organization is grounded upon What it is paid for The business model Porter is the what the basic pillars of a firm s organization How it transforms client satisfaction into value for itself Strategy Joffre is the where the choice of 1 geographical areas 2 industries and 3 within them of segments And tactics is the how respecting to the nine functional areas from marketing Kotler to human resources to how to advertise how to motivate etc Four inferences follow All four drivers are necessary conditions none sufficient They interrelate some impacting on others They must fit reinforcing each other and They should be periodically reviewed under a sequence of steps This is illustrated by the book s detailed examples of e g Nike Dollar Shave Club Spotify SpaceX Vend me Sears IBM Apple Music McDonald s Marks Spencer Canva SolarCity Farfetch etc The fundamental message is that neglect of any of the four drivers brings efficiency doing things right the Phronesis of Aristotle at the cost of lower effectiveness doing the right things the Chokhmah of Solomon With more and more resources producing less and less underperformance will follow
