## **Hulu Ideas Sign In:**

**New Routes to Library Success: 100+ Ideas from Outside the Stacks** Elisabeth Doucett, 2015-04-13 Today's library leaders face a world in which the only constant is change. Seeking out innovative ways to meet the evolving needs of their communities has become a critical part of their responsibilities. In this book, Doucett mines new territory in this ongoing effort by exploring how successful organizations outside the stacks conduct their business. She interviews leaders of advertising, online commerce, fundraising, retailing, crowdsourcing, and other organizations including Kickstarter, L.L. Bean, Down East Magazine, and Tom's of Maine, among others, learning what they do exceptionally well. From this research, she presents more than 100 examples of game-changing ideas ready for application in libraries. And most importantly, she articulates a simple process that readers can use to pursue the same path of exploration at their own institutions, including the actual questions used during her interviews. An exciting survey of creativity in action, Doucett's book will encourage public library directors, managers, trustees, and staff to cross-pollinate their own expertise with innovative ideas from outside the stacks. From Networks to Netflix Derek Johnson, 2022-07-26 Now in a second edition, this textbook surveys the channels, platforms, and programming through which television distribution operates, with a diverse selection of contributors providing thorough explorations of global media industries in flux. Even as legacy media industries experience significant disruption in the face of streaming and online delivery, the power of the television channel persists. Far from disappearing, television channels have multiplied and adapted to meet the needs of old and new industry players alike. Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices. From Networks to Netflix guides students, instructors, and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter. This second edition features new players like Disney, HBO, Max, Crunchyroll, Hotstar, and more, increasing attention to TV services across the world. An ideal resource for students and scholars of media criticism, media theory, and media industries, this book continues to offer a concrete, tangible way to grasp the foundations of television and television studies, even as they continue to be rewritten.

**YouTube and Video Marketing** Greg Jarboe, 2011-10-07 Fully updated with new information including the latest changes to YouTube. If you're a marketer, consultant, or small business owner, this is the guide you need to understand video marketing tactics, develop a strategy, implement the campaign, and measure results. You'll find extensive coverage of keyword strategies, tips on optimizing your video distribution and promotion tactics, YouTube advertising opportunities, and crucial metrics and analysis. Avoid errors, create a dynamite campaign, and break it all down in achievable tasks with this practical, hour-a-day, do-it-yourself guide. Shows you how to successfully develop, implement, and measure a successful video marketing strategy. Written in the popular An Hour a Day format, which breaks intimidating topics down to easily approachable tasks. Thoroughly updated with the latest YouTube functionality, helpful new case studies, the latest marketing insights, and more. Covers optimization.

strategies distribution techniques community promotion tactics and more Explores the crucial keyword development phase and best practices for creating and maintaining a presence on YouTube via brand channel development and customization Shows you how to optimize video for YouTube and search engine visibility Give your organization a visible vital video presence online with YouTube and Video Marketing An Hour a Day Second Edition

**Reasserting the Disney Brand in the Streaming Era** Robert Alan Brooke, Jason Phillips, Timothy Pollard, 2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology
