The Best Worst Thing Lauren Okie, 2025-10-14 From a stunning new voice in romance Lauren Okie's *The Best Worst Thing* is an intimate story about starting over second chances and two people who cannot help falling into each other's orbit once again All things considered Nicole Speyer has a pretty amazing life At least that's what she tells

herself She's got a beautiful house a relatively successful fertility podcast and a perfect husband Gabe The only thing that's less than ideal is her years long struggle with infertility and how with every passing day she and Gabe seem to drift a little further apart But then mere hours after a Hail Mary embryo transfer to her gestational carrier Nicole discovers Gabe's been sleeping with their dog walker and her world turns upside down Suddenly a jobless childless and now husbandless Nicole finds herself at the doorstep of somebody she tried to say goodbye to a long time ago Logan Milgram a former colleague with serious golden retriever energy who happens to be laugh out loud funny a colossal nerd and legitimately kind of hot When Logan opens his door that night it's like no time has passed And as they fall back into each other's lives Nicole starts recognizing herself in the mirror again She even begins to like what she sees And then like a cruel joke she gets the news she's spent a lifetime waiting for her surrogate is finally pregnant As her relationship with Logan develops from a blast from the past fling into something much deeper Nicole struggles to balance her past present and future Racing against the clock she must learn to forgive her body for falling short and recognize that sometimes it's the biggest betrayals in life that set us free With everything on the line can Nicole accept love from the greatest man she's ever known even if it's nothing like the story she'd written for herself
