**Investing Online For Dummies** Matthew Krantz, 2016-02-01 Building substantial online investments is a page away. Anyone can invest online but without the right guidance and know how a well meaning online investment can go wrong fast. Inside you'll find the investment strategies you need to pick a winning strategy, find an online broker and build a successful investment portfolio. This friendly and easily accessible guide bypasses confusing jargon and points you toward the most helpful websites, online calculators, databases and online communities that will help you succeed in the stock market. Updated to cover the latest tools of the trade, this new edition of *Investing Online For Dummies* offers expert online investing advice that you can take to the bank. From setting reasonable expectations, figuring out how much to invest and assessing appropriate risks to picking an online broker and finding investment data online, this power-packed book sums up everything you'll encounter as you invest your way to hard earned financial success. Understand the basics of investing and learn to measure risks. Analyze stocks and financial statements. Choose an online broker and execute trades online. Use online tools to calculate your investment performance. Don't take a risk on the wrong tool or strategy. *Investing Online For Dummies* features a stockpile of powerful, effective resources to help you build an impressive portfolio.

**Online Investing For Dummies** Matthew Krantz, 2019-08-07 Build a winning portfolio and reduce your risk with this bestselling guide. Online investing has never been easier or more potentially confusing. Now that every broker or finance site has its own app, data or approach, it can be all too easy to be misled and make a bad decision. *Online Investing for Dummies* helps you reduce risk and separate the gimmicks from the gold, pointing investors of all experience levels to the pro tips, calculators, databases, useful sites and peer communities that will lead to success. Updated to include information on mobile trading and the influence of social media on the markets, the book also covers the basics, showing you how to figure out how much to invest, find data online and pick an online broker. It then progresses through to more advanced topics such as calculating returns, selecting mutual funds, buying bonds, options, commodities and IPOs, taking you and your money wherever you want to go in the global market. Set expectations and assess your risk. Analyze stocks and financial statements. Assemble the suite of tools to calculate your performance. Get tips on choosing the right online broker and on protecting your information online. It's time to get a pro strategy and *Online Investing for Dummies* has all the inside information you need to build up that winning portfolio.
