*Urban and Regional Planning and Development*  
Rajiv R. Thakur, Ashok K. Dutt, Sudhir K. Thakur, George M. Pomeroy, 2020-02-10  
This book discusses urban planning and regional development practices in the twentieth century and ways in which they are currently being transformed. It addresses questions such as What are the factors affecting planning dynamics at local regional national and global scales. With the push to adopt a market paradigm in land development and infrastructure the relationship between resource management sustainable development and the role of governance has been transformed. Centralized planning is giving way to privatization not only in the traditional regions but also in newly emerging regions of Asia Africa and Latin America. Further attempts are being made to bring planning related decision making closer to the people who are most affected by it. Presenting a collection of studies from scholars around the world and highlighting recent advances in the field the book is a valuable reference guide for those engaged in urban transformations whether as graduate students researchers practitioners or policymakers.

*Headlines That Matter* Kavita Chandran, Saldene Lyte, 2025  
Not every news announcement grabs a financial trader's attention prompting them to initiate a buy or sell call. Glued to their screens every day traders are alerted to important information by journalists who work with news agencies such as Reuters Bloomberg Associated Press and Dow Jones to name a few. American wires or regional wire services such as Agence France Presse AFP Press Trust of India PTI or Algemeen Nederlands Persbureau ANP. The urgent news flashes come from journalists who have impeccable news judgement along with the ability to think and write at great speed. What is it that these journalists look for in company press releases remarks by political leaders or comments by central bankers. How do they evaluate corporate scandals and communications on sensitive social and political issues. What about food recalls labor disputes and supply chain problems. Why do markets react

to such headlines and news updates Using many recent examples of headlines that influenced the markets two former Bloomberg headline writers reveal the workings and thought processes of an adrenaline packed team which caters to those who deal with money matters within seconds day in and day out The insights in this book benefit students of both business journalism and finance as well as CEOs corporate communications directors and wealth managers investors and traders
