## **Nfl Schedule Usa:**

*Pro Football Schedules* Ivan Urena, 2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season. **USA Today Index**, 1996

**The United States Football League, 1982-1986** Paul Reeths, 2017-04-17 One of the most ambitious and short-lived endeavors in professional sports history, the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans, the USFL gained national attention with broadcast and cable television contracts, controversial player signings, ownership battles, and an unsuccessful billion-dollar lawsuit against the NFL. The USFL folded after four years, yet represented the last major challenge to America's big four sports leagues: the NFL, the National Basketball Association, the National Hockey League, and Major League Baseball. Based upon extensive research and interviews with owners, coaches, players, and administrators, this book chronicles the league's formation, its three seasons of play, and its long-term effects on pro sports. *Online Access*, 1995-07
