Romantasy Books Nfl Schedule Near Me:

Wildcat Kristen Strassel, Romance readers know me as the sex scene queen but in real life I'm a shy writer in desperate need of some inspiration after a horrible breakup I applied to be a Real Werewife to get a little hands on experience to obliterate a bout of writer's block It looks like all I'll get out of this season is stories from the other contestants That's when I meet lynx shifter Graham Chase This dirty talking player is at the top of his game both on and off the field Never do I expect him to want to film an episode with me Or for his undivided attention to stir everything up inside me And when he wants to bring the scenes from my books to life he'll give me all the material I need I'm in big trouble Because this bad boy has the power to do more than help me top the charts he can break my heart all over again Find out what happens between the lynx shifter who says he doesn't believe in fated mates and the romance writer who's no longer sure she believes in love

Catching the Vixen Kristen Strassel, When I crashed a bachelor auction for The Real Werewives of Alaska the producers immediately offered me a contract for the show Problem is my parents are already contestants and that hot quarterback I placed the winning bid for He's my dad's protégé Those producers want me to do something outrageous to get the viewers' attention and I plan to deliver All my dad's grumbling won't keep me away from lion shifter Tyler Jones The lion thing could pose a problem because I'm half human half fox and all wild child My plan is to play with the big cat and move on That is until I shift for the very first time Now my animal wants something more Like forever I thought dealing with my dad's disapproval was an issue but if I'm going to play for keeps with Tyler I need to win his family over first Whoever said being a vixen was easy Find out what happens when fate brings these star crossed lovers together
