**Where Hunting Dogs Rest** Martin Usborne,2015 In Spain it is estimated that up to 100 000 hunting dogs are abandoned at the end of the hare coursing season every year This book documents those dogs that have been rescued and sets them against the locations in Spain where they are typically abandoned the sides of roads the ravines and the empty car parks Shot in a style that references the tone and mood of Velzquez who painted at a time when these dogs were treated with great respect Martin Usborne s photographs show both the classical beauty of the animals and the ugliness of their modern situation

Roland Berger, 2022-04-14 Already centuries ago the hunters of that time found out that a hunt together with a hunting helper is much easier than if only humans participate in this hunt They found out that especially dogs show a sense of detection indispensable on the hunt which a human alone could never imitate or copy in such a way Especially for this purpose dog breeds have been bred over the years to make a hunter s life easier So how do I find out which dog breed best suits me as a hunter What kind of hunting can he do with me and what exactly do I have to do once I have acquired a dog After all not just any dog is allowed to come along on a hunt Instead this is regulated by the state which is why there are also some guidelines to follow that the hunter should place great importance on This can clearly confuse a prospective dog handler or hunter Basically any family dog can become a hunting dog Nevertheless there are some requirements that a dog must meet in order to be admitted to or pass the usefulness test for hunting dogs Suitable dog breeds are presented in the book In this book you will find many important contents about the training of hunting dogs Hunting Dog breeds Training your own dog Dummy training Anti hunting training The equipment This guidebook is intended to help a hunter to get his hunting companion through the serviceability test for hunting dogs without any problems so that said hunting helper can also become a full fledged member of the hunt This book will give you an insight into the training of a hunting dog and not only that It is a

glimpse into a bond between man and animal that does not often exist on such a high and extreme level between an owner and their pet The hunting dog is not just a tool but a family member and also someone who enjoys just being petted and played with We wish you a lot of fun with your hunting dog     **Training the Versatile Hunting Dog** Chuck
