**Where We Stand** bell hooks,2012-10-02 Drawing on both her roots in Kentucky and her adventures with Manhattan Coop boards Where We Stand is a successful black woman s reflection personal straight forward and rigorously honest on how our dilemmas of class and race are intertwined and how we can find ways to think beyond them **Where We Stand** Bell Hooks,2006 Framing Class Diana Kendall,2011-04-16 Framing Class explores how the media including television film and news depict wealth and poverty in the United States Fully updated and revised throughout the second edition of this groundbreaking book now includes discussions of new media updated media sources and provocative new examples from movies and television such as The Real Housewives series and media portrayals of the new poor and corporate executives in the recent recession The book introduces the concepts of class and media framing to students and analyzes how the media portray various social classes from the elite to the very poor Its accessible writing and powerful examples make it an ideal text or supplement for courses in sociology American studies and communications **Class Interruptions** Robin

Brooks,2021-12-20 As downward mobility continues to be an international issue Robin Brooks offers a timely intervention between the humanities and social sciences by examining how Black women s cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty first centuries Using an interdisciplinary approach this innovative book employs major contemporary texts by both African American and Caribbean writers Toni Morrison Gloria Naylor Dawn Turner Olive Senior Oonya Kempadoo Merle Hodge and Diana McCaulay to demonstrate how neoliberalism within the broader framework of racial capitalism reframes structural inequalities as personal failures thus obscuring how to improve unjust conditions Through interviews with authors textual analyses of the fiction and a diagramming of cross class relationships Brooks offers compelling new insight on literary portrayals of class inequalities and division She expands the scope of how the Black women s literary tradition since the 1970s has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long standing and simultaneously evolving issues **The Nation** ,2000-11 **School Education** ,1904
