Peggy Edwards,Judy Turner,Miroslava Lhotsky,2002 After Peggy Edwards Miroslava Lhotsky and Judy Turner published their highly successful first book *The Healthy Boomer* A No Nonsense Guide to Midlife Health for Women and Men they embarked on a series of workshops with health professionals and men and women in midlife Like them the participants often found it almost impossible to juggle the responsibilities of midlife and still find time and energy for themselves Translating the principles of balance and good health into daily action is difficult and the authors knew from their seminars that participants

were always pleased to hear stories of struggle and success from others. It made sense they concluded to ask Boomers themselves the best ways to manage midlife. To get a sense of common issues in midlife and possible coping strategies they sent out a questionnaire and conducted telephone interviews to draw out more in depth ideas. The results are found in this book: a collection of anecdotes, quotes, and wisdom from Boomers themselves. In midlife we start to get in touch with the fact that our time on earth will not last forever and is precious. This book provides a variety of ways of looking at this fact and of thinking about the choices ahead. There are motivating stories from Boomers, some such as Pamela Wallin, known to many, brief updates from the scientific world, and interesting tidbits of information from the survey.
