**Corporate Valuation** Robert Holthausen,Mark Zmijewski,2025-08-14 We wrote this book to equip our students as well  
as practitioners many of whom are our former students with the current knowledge used to value companies parts of  
companies and the securities issued by companies Our goal is to provide current conceptual and theoretical valuation  
frameworks and translate those frameworks into practical approaches for valuing companies We present the research and  
descriptive data underpinning these frameworks and use detailed examples to demonstrate how to implement them often  
using data from real companies Corporate Valuation Theory Evidence Practice has been the industry standard on valuation  
for over two decades well before it was widely available The corporate valuation course based on this book is one of the few  
unstated requirements for graduates of The Wharton School that hope to enter into the field of finance Having hired dozens  
of Wharton alumni who have learned valuation from this book I cannot imagine a more thorough guide or a better reference  
to learn valuation Ben Frost Partner Managing Director Goldman Sachs Consumer Retail and Mergers DepartmentsTARGET  
AUDIENCECorporate Valuation Theory Evidence Practice is intended as a college textbook for both graduate and  
undergraduate courses in valuation Given the detailed approach it is also a useful book for practicing professionals We have  
been using this material in both valuation based finance and accounting M B A classes at Chicago Booth and Wharton as well  
as in undergraduate finance classes at Wharton for many years Although primarily serving as a text in courses that teach  
valuation the book can also serve as a background book for case based courses that include cases on valuation leveraged  
buyouts and mergers and acquisitions The book can also be used as a field guide for those who engage in valuation work We  
know that many of our former students refer to our writings in their work involving valuation and security analysis for years  
after they graduate from our respective institutions      **Snap-On Tools Corporation V. Winkenweder & Ladd, Inc** ,1957
