Digital Shock: Seven Shocks that are Shaping the Future Dr. Jagdish Sheth, Suresh K. Sharma, Vibrant Publishers, 2025-01-22 In a world where technology shapes every aspect of our lives Digital Shock Seven Shocks That Are Shaping the Future delves into the profound disruptions we face today and those still to come Digital technologies like the Internet and social media have thrust us into unforeseen and new ways of life We are also witnessing rapid advancements in fields such as Codifying Trust Artificial Intelligence Quantum Computing and others In this digital age technology has transformed mobility and agriculture but it has also led to resource depletion and health issues How did we manage these shifts in the past and how will we cope with even greater changes in the present and future Will we survive in the current world of the Internet mobile phones eCommerce and social media Or are we in for a rude shock Will we adapt or become a lonely Society of One Digital Shock written by prominent global thought leaders and some of the most published authors of our time identifies seven shocks we are all experiencing in the 21st century These include coping with digital addiction families living like roommates the emergence of virtual communities the borderless world of social media lack of governance and the need to adaptively reuse physical assets like factories and malls Contrary to doomsday thinkers we believe humanity will not only absorb each shock but also consider it as an opportunity for more discoveries and innovations We foresee that with our cognitive capabilities and some proactive planning by each individual and society we will once again embrace the future not only to survive but also to thrive Hence this book is neither academic nor prescriptive nor is it a treatise on technology It differs in its execution and engagement of this critical subject that impacts all our lives Film and Tourism Marco Valeri, 2025-04-01 Film tourism has emerged as a major driver of tourism development for many destinations To date there has been substantial literature on the subject but little of it has engaged with the wider social science paradigm of culture film and media research The intellectual components of film tourism as an area of academic inquiry span several academic subjects such as marketing economics finance psychology social development sustainability and operations Film is a relatively obscure area of tourism research but the wider interconnections between tourism space and media are beginning to be explored and understood The interest which the topic has generated highlights this subject as one that is worthy of attention within both the academic community and in a practitioner context The contributions in this book discuss the debates about the perceived and actual impact of film tourism and what must still be learned about this phenomenon to create the most unique and satisfying visitor experiences and protect the communities and environments that it affects Fundamental questions are raised regarding the real demand for and draw of film as a tourism motivator and the range of assumptions conflicts and contradictions that underlie them **Popular Science** ,1985 Popular Photography ,1983 **Fantasy Review** ,1985 **Daily Variety** ,1940 **Teacher** ,1976 *The Hollywood Reporter* ,2006 **Zitty** ,2008
