*Financial Accounting Cases* Camillo Lento, Jo-Anne Ryan, 2019-09-16 Canadian Financial Accounting Cases 3rd edition has been developed to bridge the gap between the foundational concepts and the real world. Students are introduced to the case study methodology for financial accounting which focuses on identifying the issue, understanding implications, developing alternatives, and making recommendations. Students must also be able to understand the overall financial reporting landscape and the overall impact of the individual accounting issues. The cases range from introductory level to advanced level and can be used as assignments, exams, or for in-class discussions. The cases have been developed using IFRS Part I, ASPE Part II, or ASNPO Part III as the accounting frameworks, providing students with exposure to many different types of organizational structures and have been linked to the CPA Competency Map. Instructors are provided with detailed teaching notes and marking keys that will assist in guiding the class discussions and assessments.

*Sales Promotion* Roddy Mullin, Julian Cummins, 2008 Sales promotion is one of the most powerful weapons available to your sales and marketing teams and is used more than any other type of marketing because it works. Annual research shows that 60 per cent of consumers participate in some form of sales promotion each month. Packed with practical examples as well as updated and new case studies, *Sales Promotion* details the tried and tested methods companies use to stay ahead of the competition, revealing the winning offers that gain new customers and keep existing ones happy. *Sales Promotion* includes new developments in the field, exploring the use of new media such as SMS, MMS, interactive TV, and web-based advertising. It also considers the effects of the 2005 Gambling Act, and each chapter features a new interactive self-study question and feedback section. *Sales Promotion* is a core text of the ISP diploma, and the author has utilized graduate feedback to make the fourth edition relevant to students whilst preserving its status as a potent tool for sales and marketing professionals. Whether your company is a small start-up or an international business, *Sales Promotion* can help you to get ahead and stay ahead of your competitors. Topics covered include the purpose of sales promotion, what sales promotion can do for you, how to use different techniques including joint promotions, price promotions, and off-the-shelf promotions, how to implement an integrated market strategy, maintaining a crucial creative edge, the best ways to use suppliers, researching and evaluating your promotion.

*Sales Truth* Mike Weinberg, 2019-06-11 Become a better salesperson by learning to debunk the sales myths and focus your strategy on a proven approach that will drive the results you want. Can succeeding in sales be as simple as hooking up the latest CRM tool or perfecting your social media profiles and waiting for qualified leads to show up in your inbox? Are you having trouble believing what the new self-proclaimed experts post on LinkedIn and beginning to question their proclamation that everything in sales has changed? The one constant in the world of sales is the noise from self-titled experts and thought leaders informing you of the latest tools, tricks, and strategies that you should utilize. However, ironically, the more modern solutions you adopt, the harder it is to get results. Bestselling author and sales expert Mike Weinberg offers a wake-up call to

salespeople and sales leaders on how to bypass the noise so you can start winning more new sales In Sales Truth Weinberg shares some of the truths you ll learn including Many self proclaimed sales experts lack clients credibility and a track record of helping sellers achieve breakthrough results The number of likes a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to a seller or sales team What has worked exceedingly well in sales and sales management for the past couple of decades is still the not so secret to sales success today Look no further than Weinberg s powerful principles and proven strategies to help you become a professional sales master and create more new sales opportunities
