Digital Marketing in Business Ms. Smrithi S, Ms. N. Ranjani, In today's technology driven world, marketing is no longer confined to traditional methods. The digital landscape has transformed the way businesses communicate, engage and grow. This book, 'Digital Marketing in Business', is written with the objective of making digital marketing understandable and approachable for students, educators, and aspiring professionals in the field of commerce. As an Assistant Professor in Commerce, we have witnessed how crucial it is for today's learners to stay updated with evolving marketing strategies. This book serves as a bridge between traditional marketing concepts and modern digital tools. It begins with the fundamentals, covering the definition, objectives, and importance of marketing and progresses into detailed discussions on digital marketing platforms, search engine optimization, web analytics, social media marketing, and customer relationship management. Carefully curated to suit undergraduate and postgraduate commerce syllabi, this book offers a balanced mix of theory and practical insights. It includes easy explanations, relatable examples, and strategic tools like SWOT analysis and digital budgeting, to make learning more interactive and meaningful. We hope this book not only enhances the academic knowledge of readers but also encourages them to apply digital strategies in real world scenarios. It is our humble attempt to contribute to the academic community by simplifying a complex yet essential subject. We express our sincere gratitude to our surrounding for their constant support and motivation. Their encouragement has been instrumental in bringing this work to life. Ms. Smrithi S, M.Com, Ms. N.
