Performing the Edible Kristin Hunt, 2026-02-13 At the intersection of performance studies and food studies this pioneering collection explores food as more than just a subject of study it's a medium of artistic expression communication and embodied knowledge Drawing from a decade of collaborative work through the American Society for Theatre Research working group 2014-2023 this volume brings together diverse voices examining how food shapes and reflects our understanding of identity culture and sustainability in an increasingly complex world The collection stands out for its innovative approach to thinking with food moving beyond traditional academic analysis to engage with food as an active participant in performance and meaning making Contributors explore how food practices inform our relationships with place community and environment while addressing urgent questions about global foodways and survival Through a combination of scholarly research and artistic exploration these essays reveal how food serves as both a lens for understanding contemporary challenges and a tool for imagining new possibilities in performance sustainability and cultural exchange This interdisciplinary work offers vital insights for scholars artists and practitioners interested in the intersection of performance food studies cultural theory and environmental sustainability providing fresh perspectives on how food based knowledge and practice can inform our response to global challenges

Abrasive, Soft and Ecological Kaustav Chakraborty, 2026-01-22 The book in an innovative way interconnects theology media and politics in order to understand masculinity in terms of

everydayness virtual circulations cinematic projections musical ramifications and political assertions It not only opposes toxic Indian masculinity but also counterposes the vulnerable masculinities of feminine men and proposes reviving ecomasculinity and such other habitable masculinities The book tries to understand abrasive masculinity as a muscular mentality that drives Indian men to act in certain stereotyped ways Beginning with the anxiety of intimacy that an abrasive muscular mentality creates in relation to Indian men s belongingness with those who are projected as Other women and queer people the volume tries to understand the theological roots of abrasive masculinity along with its routed mediatized avatars Thereafter it shifts its focus to the vulnerable masculinity of soft men who are victimized on account of their effeminacy In an intersectional mode the plight of both feminine cisgender and gay men is critically discerned The book concludes with the counterculture of Indian YouTuber men who are detoxifying the mediatized Movement for Men s Rights in India along with revisiting the ecomasculine folk culture of indigenous India The author argues that in opposition to the culture of cancelling masculinity a habitable masculinity may be unfolded in order to enhance the social habitability of individuals irrespective of their gender and sexuality It deploys social media film music literature folk narratives and personal interviews as a means of interconnecting qualitative and quantitative methodologies The book will be useful for students researchers and teachers from the fields of Gender Studies Media Studies Sociology and Cultural Studies It will also appeal to those interested in the culture of masculinities in India

The Coming Light: An Exponential Leap in Biblical Numerology David Harding, Biblical Numerology and the divine intent Though many Christians do not realize it by the very nature of their faith they are deeply involved in numerology It is prescribed in the Bible The fact that there are a whole lot of 7 s in the Bible or that the numbers 12 and 40 are often repeated though acknowledged by all seems only half understood The spiritual truth of the Bible has literally changed the whole world yet for today s scientific mindset and even for most Christians Biblical numerology just doesn t make much real sense It will now This short book will examine the extraordinay phenomenon of Biblical numerology and its profound relation to modern physics relativity theory and cosmology The speed of light the fine structure constant the proton electron mass ratio and other physical constants are easily found using Biblical Numerology Finally the Wormwood Prophecy 99942 Apophis the fall of Babylon and the well known numerology of the Anti Christ will all be discussed as we examine the relevant scriptures in this most important of all books

Education 7.0 KHRITISH SWARGIARY,2026-01-08 The genesis of Education 7.0 stems from a confluence of personal and professional experiences that have profoundly shaped my perspective as an author educator and advocate for transformative learning I Khritish Swargiary AKA KS Luminar have traversed diverse educational landscapes from the resource constrained classrooms of rural India to the cutting edge innovation hubs of urban academia witnessing the profound disparities and untapped potentials that technology can either exacerbate or ameliorate This book represents the culmination of over a decade of research reflection and collaboration motivated by an unshakeable belief that artificial intelligence when ethically harnessed can elevate education from a static institution to a dynamic lifelong symbiosis between human intellect and machine intelligence In an era where AI projections indicate the automation of up to 47% of routine cognitive tasks by 2030 as corroborated by global economic analyses the imperative to redefine pedagogy becomes not merely academic but existential My aim herein is to furnish a comprehensive evidence based roadmap that demystifies Education 7.0 rendering it accessible and implementable for a broad audience from frontline educators integrating AI tutors in daily lessons to policymakers devising equitable infrastructure investments and learners cultivating critical engagement with digital tools The narrative is structured with deliberate progression commencing with definitional clarity in Chapter 1 which elucidates humanistic AI pedagogy through principles like symbiotic intelligence and ethical custodianship advancing to technological underpinnings in Chapter 2 including neural optimized systems and blockchain credentials exploring innovative methods in Chapter 3 such as AI

augmented design thinking and empathy labs confronting ethical and practical challenges in Chapter 4 with mitigated strategies providing a pragmatic implementation guide in Chapter 5 envisioning futures through case studies in Chapter 6 and concluding with a call to symbiotic commitment Each chapter is fortified with empirical references theoretical frameworks and authentic elaborations to ensure scholarly integrity while avoiding unsubstantiated optimism by addressing real world hurdles like algorithmic bias mitigated through diverse datasets and psychological strains countered via AI monitored mindfulness protocols My alias KS Luminar embodies the luminar aspiration to illuminate paths forward inspired by my roots in Assam India where educational inequities first ignited my passion for inclusive innovation I am indebted to a constellation of influences academic collaborators who refined these ideas through rigorous discourse technologists who shared prototypes of BCIs and holograms and global ethicists whose critiques ensured a balanced view This preface is an overture to dialogue inviting readers to not only absorb but actively apply these insights for in the synthesis of human empathy and AI efficiency lies the promise of an education that is truly boundless resilient and profoundly human centered As we stand at this pivotal juncture on January 08 2026 let us commit to shaping a future where technology serves humanity's highest aspirations
