Head of Marketing
Avanza, Inc.
3000 Hall Valley Drive

Dear Ashley,

Two months ago, I hit a goal I never thought I'd reach. I pushed SEO traffic to 20 million monthly visitors. One year ago, traffic for our four sites—all of which I manage through a team of 12 employees—reached at just 4 million per month. Upper management challenged me to lead the team toward doubling our traffic. We hit that goal in just six months, exceeding every our sales revenue forecast in the process.

I know your main upcoming challenge will be to grow revenue from your new website. With over seven years experience in SEO and social media marketing, and no concern when it pertains to staying on the leading edge of tech, I'm confident I can repeat the growth I achieved with SEO as your new Digital Marketing Manager.

In my current position, I successfully lead creative strategy and internal development teams. Specifically, I have:

- Doubled LinkedIn Marketing ROI by 42%.
- Reduced Cost Per Lead by 30%.
- Raised Landing Page Conversion Rates by 15%.

What impresses me most about your online marketing strategy is that you've managed to create a self-reliant team aligned with two basic key metrics only: traffic and conversions. This perfectly reflects my core professional values.

I'm adept at reading Google and user search intent, then translating that to measurable returns. Can we schedule a call to discuss ideas for growing your revenue by 25% in 2019?

Thank you for your time. I look forward to hearing from you.

National Business Employment Weekly Cover Letters National Business Employment Weekly, Taunee S. Besson, 1995-08-11 Write Powerful Letters That Win Over Your Future Employer. Even the best resume can fall flat if it is accompanied by an ineffective cover letter. With this invaluable book, you'll learn how to write cover letters that jump out from the pile and grab the employer's attention. Written by an award-winning columnist at the *National Business Employment Weekly*, today's leading career resource, it's packed with practical tips and psychological insights that will help set you apart from the competition and win you an interview. Starting with the basic elements of the cover letter, you'll get expert advice on how to customize letters for responding to a want ad, contacting an executive search firm, or reaching out to target companies.

with plenty of sample letters from successful job hunters Special chapters cover the unique problems of first time job seekers women returning to the work force career changers and seasoned professionals including information that will show you how to turn apparent liabilities into assets You ll learn What three elements must be included in an effective cover letter How to read between the lines of a want ad to discover what they really want When thank you notes are necessary always and how to write one that makes you the top candidate instead of a runner up How to write a follow up letter when you haven t heard from an employer What a broadcast letter is and why it can be the best choice How to mount an effective direct mail campaign without papering the world Don t let a weak cover letter short circuit your chances This valuable guide will show you how to create powerful job search letters that will put you in the job you want **202 Great Cover Letters** Michael Betrus,2008-01-01 Get noticed and get the interview with the right cover letter A great cover letter is the best way to show prospective employers who you are and what you can offer So don t blow it 202 Great Cover Letters delivers a treasure trove of sample cover letters that will get you noticed whether you re applying online or in person No matter what industry you work in you ll find an effective smart cover letter for virtually any position In addition to attention grabbing sample letters 202 Great Cover Letters is packed with vital job search information Smart guidelines for researching a company s needs Handy networking concepts and ideas Valuable tips on contacting recruiters during and after interviews Proven advice for every situation including cold contact and posting on job boards Important keywords top recruiters look for Whether you re just out of college just out of work or just looking for a change of career 202 Great Cover Letters gives you all the samples formats and strategies you need to make that all important first impression *How To Write Amazing Cover Letters* The Hyperink Team,2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn t until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important s a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you ve spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don t hesitate to contact us Happy reading EXCERPT FROM THE BOOK You ve probably figured out a few mistakes to avoid already but you d probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don t bother to spell check before sending out the cover letter and resume It s always a good idea to ask a friend or family member to check your letter for

spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don t know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it s common for applicants to use their cover letters to show they ve learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won t make an impression on the reader Don t just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren t meant as a tool to repeat everything that s in your resume It s a tool to build on it and an opportunity to correlate your experience with the job you re applying for Include any training classes awards and recognition you ve received in the past that might give you an edge over the competition Buy a copy to keep reading
