**Perspectives on Marketing** Jason I. Miletsky,Michael Hand,2009 Marketing is not an exact science and marketing issues are often interpreted defined and approached differently by different people creating the potential for a disconnect in communication This is particular true of the client agency relationship which oftentimes looks at a single marketing issue in radically different ways Perspectives on Marketing is a unique spin on the he said she said format giving both the agency side

Jason Miletsky CEO PFS Marketwyse and the client side Mike Hand Director of Sports Marketing Hershey's of a number of topics that deal with marketing and the client agency relationship. It examines over 100 compelling and important marketing issues that marketers deal with on a regular basis such as how to best measure ROI how to determine the best means for reaching an audience and how to craft the most effective message. Each topic is approached from both points of view in a conversational point counter point style. This unique approach provides a frank insightful and enjoyable look into the whole of the marketing process and helps promote understanding between the marketer and the client. *Profits and Losses* Chris Roush, 2006 Asserts that social attitudes are set in place by 20th century reporting on finance business trends markets unemployment governmental economic policy corporate malfeasance and the consumer
