A Good Kind of Trouble

Brooke Blurton, Melanie Saward, 2025-01-29 A brilliantly warm hearted NEW series from Brooke Blurton and Melanie Saward full of high school longing friendship footy matches and dreams to change the world It's funny how your life changes I used to worry about playing footy and whether my first kiss would be with a boy or a girl I used to worry about having enough time after school and putting my little cousins to bed to go for a run with my best friend Loz and whether she'd ever look at me the way she looks at my brother Poss But a new girl came to school and there's something about her I suddenly got the courage to stand up to our history teacher about teaching our true history with books written by blackfullas And somehow she did too At first we were on top of the world and we might even have a chance to change it just a little bit

But now I'm banned from footy and I wonder is it all going to be worth it

Snapchat Viktoria Schoja,2016-03-14 Snapchat is a photo messaging application which was developed in 2011 by Evan Spiegel and Bobby Murphy It is a new way to take pictures or video adding text or drawings over a mobile phone and send them to friends or family with specifications on how long the photo will be available for viewing User can set a time of 1 to 10 seconds for the viewing The timer starts to count down the predefined seconds when the recipient opens the message After the time is up the picture is deleted from the device and cannot be shown to the user anymore Once the user downloads the app on his phone it is essential to register with username and set a password Subsequently the app access the contact list on users phone to load friends Additionally users can add other contacts beyond the existing one manually Snapchat is a new

way of sharing moments with friends on iPhone and Android. The company compares its product with a phone call where a record of the communication persists however the actual content of the communication does not. Even though Snapchat launched many products there is one key feature that they all share deletion. The app's mascot which is also used as logo is called Ghostface Chillah a name Brown derived from Ghostface Killah of the hip hop group Wu Tang Clan. Snapchat Inc is a privately held venture capital backed company headquartered in Venice California USA. The application was first launched in July 2011 as a result of Evan Spiegel's projects at Stanford University under the name Picaboo. However the idea of disappearing pictures did not convince other project participants. In July 2011 Picaboo was renamed and re-launched into Snapchat. The former team Evan Spiegel Reggie Brown and Bobby Murphy focused on usability and technical aspects rather than branding efforts at the beginning in order to reach as many users as possible.
