Cinematic Digital Television Chris Comerford,2022-12-20 Chris Comerford explores cinematic digital television as an artistic classification and an academic object of study and illuminates the slippage in definitions of previously understood media forms The growth of television as an artistic informative medium has given rise to shifts in the aesthetic style of the programmes we watch and this book outlines these shifts along with the contemporary debates and critical theory

surrounding them Comerford looks at the forms and aesthetics of television the production standards influencing streaming television and the agency of audiences and provides case studies of key TV shows illustrating these shifts including Twin Peaks The Return WandaVision Hacks and Russian Doll Navigating the levels of production and reception in cinematic digital television the book uses film inspired TV as a lightning rod for understanding our narrative screen media landscape and the classifications we use to negotiate it As an essential reading for both scholars and students of media and television studies this book provides a much needed consideration of the changing landscape of television

Media Libraries in an Age of Unending Consumption Mike Van Esler,2023-10-24

As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest
