Consider the precision Seven nations Not six Not eight Seven the number of completion of spiritual fullness These weren t random tribes they were a complete system of opposition a full spectrum of spiritual resistance designed to keep God s people from their inheritance The Hittites sons of terror The giant of FEAR that paralyzes your faith The Gergashites clay dwellers The giant of COMPROMISE that erodes your standards The Amorites mountain talkers The giant of PRIDE that elevates self above God The Canaanites merchants traders The giant of LUST that trades eternal for temporal The Perizzites belonging to a village The giant of STRIFE that divides and conquers the Hivites villagers The giant of DECEPTION that distorts truth The Jebusites threshers The giant of DEPRESSION that beats you down Each name reveals nature Each territory exposes strategy Each battle teaches victory Your Promised Land Is Occupied Territory Here s what nobody told you when you got saved Accepting Christ gets you out of Egypt but it doesn t automatically get Egypt out of you Salvation breaks Pharaoh s chains but you still have to face the giants The Promised Land Your spiritual inheritance victory and abundant life in Christ The Giants Internal enemies that occupy that territory and fight to keep you out This is why so many believers live beneath their privilege They re saved but not free Forgiven but not transformed Heaven bound but earth defeated They crossed the Red Sea but never crossed the Jordan They escaped slavery but never entered abundance The land is yours by divine decree purchased by divine blood guaranteed by divine promise But it s occupied And God s method hasn t changed Little by little I will drive them out before you until you have increased enough to take possession of the land Exodus 23 30 Notice God could evict these enemies instantly He doesn t Why Because the battle isn t just about the land it s about who you become in taking it Every giant you face is designed to develop something in you that comfort never could Every victory rewrites your spiritual DNA Every conquered territory expands your capacity for God s presence and power The Cost of Coexistence Israel made a fatal mistake Instead of driving out the inhabitants completely they decided to coexist When Israel became strong they subjected the Canaanites to forced labor but did not drive them out completely Joshua 17 13 Sound familiar I can manage this fear I just won t let it control me completely A little compromise won t hurt I know where to draw the line This depression is just part of who I am I ve learned to live with it Every giant you tolerate becomes a generational curse Every enemy you refuse to confront becomes an inheritance you pass to your children The Canaanites Israel left alive became thorns in their sides and snares to their souls for generations Your compromise today is your child s captivity tomorrow Your tolerated giant becomes their inherited stronghold The battle you refuse to fight is the war they ll have to wage This Book Is Your Battle Manual This isn t another self help book with seven steps to a better you This is spiritual warfare intelligence a detailed reconnaissance report on the enemies occupying your inheritance Each chapter breaks down one giant Its Identity Who this enemy really is and how it operates Its Weapons The specific tactics and lies it uses against you Its Weakness Every giant has an Achilles heel you ll learn each one Its Defeat The exact biblical strategy to bring it down Your Victory How to not just win but occupy and maintain conquered territory You ll discover why David picked up five

stones he was ready for Goliath s four brothers You ll understand why some giants take fasting to defeat while others require community You ll learn the difference between a giant that s defeated and one that s just hiding Most importantly you ll stop fighting symptoms and start destroying roots The Three Levels of Victory As you journey through this book you ll experience victory on three levels Level 1 Recognition You can t defeat what you won t identify Most believers are losing battles they don t know they re in conquered by enemies they ve befriended The first victory is simply seeing the giant for what it is not a personality quirk not a family trait not just how life is but an enemy of your soul occupying stolen territory Level 2 Resistance Once exposed giants get aggressive They ve been comfortable in the shadows light threatens their existence This level is where most believers get stuck they see the enemy but lack the strategy to defeat it You ll learn not just to resist but to go on the offensive Level 3 Replacement Empty territory invites occupation It s not enough to evict giants you must fill that space with God s presence and purpose This is where freedom becomes transformation where victory becomes inheritance where surviving becomes thriving Ready for War Joshua stood at the edge of the Jordan River staring at the same land that terrified his generation forty years earlier The giants hadn t shrunk The walls hadn t crumbled The challenge hadn t diminished But Joshua had changed He d watched Moses He d witnessed miracles He d waited four decades for this moment And when God said Be strong and courageous Do not be afraid do not be discouraged for the LORD your God will be with you wherever you go Joshua 1:9 Joshua didn t count giants he counted on God Same command Same promise Different enemy Same God The question isn t whether you can defeat these giants Christ already won that victory The question is whether you ll appropriate what s already yours whether you ll fight for what s been freely given whether you ll possess what s been purchased Your giants are real but they re not rightful They re powerful but they re not permanent They re intimidating but they re not invincible And they know something you re about to learn Their time is up The Journey Ahead In the pages that follow you ll meet your enemies face to face You ll learn their names study their nature and discover their defeat But more than that you ll meet the Giant Killer who lives in you the One who makes grasshoppers into giant slayers who turns shepherd boys into kings who transforms fugitives into warriors This isn t just about winning battles It s about taking territory It s about generational deliverance It s about becoming who God created you to be and doing what God created you to do The giants are real The war is real But so is your victory So is your inheritance So is the God who goes before you Let s go giant hunting A Final Word Before We Begin One last thing Giants don t die quietly When you start this journey expect pushback Expect the very enemies exposed in these pages to rage against your reading to distract your attention to minimize the message They know what happens when God s people get serious about their inheritance But remember Their intimidation is proof of their desperation Their roar reveals their fear They know that an awakened equipped determined child of God is their worst nightmare You re about to become that nightmare Welcome to the war you were born to win **The Great Return** Jamie Franklin, 2025-03-13 The decline in Secular Western morality can only be halted and reversed by a full return to Christianity

Many people have a sense that the Western World is in decline and that our society is fragmenting around us. Many people have an ominous sense that we are living at the end of a civilised age and are moving into something far less pleasant and humane. But fewer people understand why this is happening. In this new book Jamie Franklin argues that the reason for this decline is because we have jettisoned the underlying belief system that gave birth to the Western world and the Western mind in the first place. Christianity. He argues that there is a logical and inevitable link between the decline of Christianity and the decline of the West. As our metaphysical commitment to Christianity declines so does our commitment to the benefits that came to us from Christianity. Through captivating argument he demonstrates how this plays out in the scientific realm which has abandoned objectivity for dogmatism in the ethical realm which is eliminating humanity from its own formulations and in the political scene as it moves away from the democratic principle towards a neo marxist influenced nihilistic technocracy that threatens to eliminate human culture distinctiveness and agency in the pursuit of a globalist utopia. In so doing Franklin touches on contemporary political conversations that are exercising the public imagination such as abortion, euthanasia, transhumanism and the rebirth of the totalitarian impulse in Western democracies. Only a revival of Christianity can reverse these trends. This book urges the Church to take seriously its own commitment to the metaphysical and ethical presuppositions of its own faith. But also acknowledges the great challenge that Christianity faces as it threatens to be overwhelmed by the rising tide of secular nihilism that may yet engulf the Western World.
