Advanced Chromecast Tips and Tricks (Chromecast User Guide): Lisa Thompson, 2015-01-06 The Google Chromecast is an amazing device It can allow you to watch an unlimited number of on demand videos from YouTube Google Play TV but on your television instead of your computer screen If you have been spending money on expensive premium cable services in the past the Chromecast can even help to reduce these costs by providing you with other options However there is one problem that you may run into if you own or are considering owning a Chromecast Google provides very little documentation as to how this device works If the only thing you want to do with your Chromecast is to watch a few videos from Hulu or Google Play then you can probably get by on learning how to use the Chromecast solely from the information that Google provides on its website But what if you want to use unofficial services such as the free versions of Hulu or Spotify Or what if you want to use your Google Chromecast to make business presentations For another example what if you want to turn your computer into a wireless media server or share your Android or iOS screen to your television If you want to use your Chromecast for more than just its basic functions you will need a user's guide to do so Unfortunately though many Chromecast user's guides on the market are outdated and employ complicated workarounds in cases where they are not necessary Because of this problem I have created a Chromecast user's guide that provides the simplest answers to any Chromecast issue and that is completely up to date Here are just some of the topics covered in Chromecast Guide Google Chromecast Tips Tricks How to connect and set up your Chromecast Factory resetting your Chromecast How to use your Chromecast to give presentations Using your Android or iOS device as a remote control A complete description of the best services to use with your Chromecast such as Hulu Pandora Radio Crackle and many others How to watch Hulu on your television without paying for the premium service How to listen to Spotify music on your television or through your stereo system How to display web content on your television How to use your television to mirror the screen of your smart phone How to use your computer as a wireless media server How to cast music and video from the Kindle Fire How to configure Amazon Instant Video so that it will display on your television How to use your smart phone to turn on your TV And many other topics that explain how to get the most out of your Chromecast Get a copy of this book now and unlock the power of your Chromecast device

A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris, 2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed In addition to its

beefier hardware Sony has added a variety of new and innovative features including the Dualshock 4 controller the PlayStation Camera and the PlayStation Move controller Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4 The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button Ever wanted to share a video of yourself beating that final boss with your Facebook friends With the PS 4 this is now possible with just a couple of button presses using the new Share button on the Dualshock 4 controller In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4 s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4 s web browser is as easy and intuitive as the web browser on your computer and it s automatically compatible with the web s most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial *My TV for Seniors* Michael Miller,2019
