**Growing Up Keto** Kristie Sullivan, 2020-11-10 Bestselling author Kristie Sullivan teamed up with her teenage kids Grace and Jonathan to deliver the ultimate keto family cookbook *Growing Up Keto*. This inspiring book stems from Kristie's personal struggles with growing up obese and then finally finding the right nutritional path for herself and eventually her family. The keto lifestyle proved to be the right fit for Kristie who experienced dramatic weight loss and optimized health. Above and beyond being a success story, Kristie is a busy working mom who is devoted to the health of her two children. When she saw her own daughter begin to struggle with weight just as she had as a child, Kristie committed to supporting her by providing delicious low carb options focusing on health instead of weight and setting an example. With her mother's guidance, Grace made the choice to adopt a keto lifestyle herself and later on Jonathan did as well. After years of success, the Sullivan family brings you a first of its kind cookbook dedicated to young adults, teens, kids, and you guessed it, their parents. *Growing Up Keto* combines the Sullivans' heartwarming family narrative with a practical, safe, and kid-friendly approach to adopting a low carb, ketogenic lifestyle. The recipes featured in the book were created with the health needs and tastes of kids and teens in mind. Some are so simple that youngsters can take over in the kitchen with little or no help from Mom or Dad. There are also recipes for celebrations with extended family and friends and meals that parents and kids can cook together, making even simple weeknight dinners more fun. Kristie also includes useful tools and information for parents of kids who eat keto, such as tips and tricks for surviving sleepovers, camp, and other social activities that involve food, as well as a guide to helping kids make independent and informed choices for a lifetime of healthy eating. *Growing Up Keto* is complete with breakfasts including quick morning meals, lunches including handy tips on packing for school and overnight trips, main dishes including celebratory meals, and of course classic desserts that kids love. With plenty of options for a wide range of palates, Kristie, Grace, and Jonathan leave nothing out. Kids and adults alike will feel satisfied, happy, and healthy. Sample recipes include Sheet Pan Blueberry Pancakes, Three Amigos Dip, Roasted Marinated Cheese Pizza, Soup Sheet Pan Fajitas, Marinated Beef Kabobs, Cashew Chicken, Double Stuffed Chocolate Waffle Dessert, Pumpkin Spice Roll, and many more.

**The New 500 Low-Carb Recipes** Dana Carpender, 2019-01-08 Since its publication over 15 years ago, *500 Low Carb Recipes* has become a classic in the low carb community, earning author Dana Carpender the affectionate moniker "low carb queen" from her fans. The book is now a bestseller with over half a million copies sold. Low carb cooking has evolved. A decade ago, low carb menus relied on ingredients like artificial sweeteners, unhealthy vegetable oils, protein additives, and processed foods from grocery store shelves like low carb branded snack bars and packaged meals. Today's low carb cooking is influenced by larger food movements such as clean eating, farm-to-table ingredients, higher fat ratios, thanks to the popularity of ketogenic diets, and less stigmatization of foods that have substantial inclusion in a low carb diet, namely animal foods and saturated fat, due to the growth of the Paleo and traditional foods movements. *The New 500 Low Carb Recipes* is the beloved cookbook updated for
