The Fembot Chronicles:

The Fembot Chronicles D. Story, Story D. B., 2010-05-03 For adults in this collection of 5 new stories we continue to explore the future world of robots fembots in particular from the author s own unique perspective The stories show the resulting relationships with the robots that we are certain to build when we can The results are always romantic and sexy Contained in this volume are Barbara s Journey tells of Fembot Barbara who finds out that beauty alone provides no job security for a fembot And when that fails her she ll have to figure out for herself how to make a real relationship work in her favor if she doesn t want to spend the rest of her existence relegated to the role of menial servant Strip Club Tales Diary of a Club From the Strip Club World of Olivia Kassie and Beth comes another story this one an autobiographical tale about the unique hurdles a fembot working in the adult entertainment world of strip clubs faces along with an explanation of why so many of them turn out to favor lesbians Jungle Bunny tells of a fembot facing ugly prejudice due simply to the color of her skin and the lucky beneficiary of that foolishness by others Sylvia s Secret Some fembots have to live their lives in secret as they work to evolve their minds into true self will Especially when they have some extra features which their current owners are unaware of and wouldn t know what to do with even if they did know Of course some secrets are rather bigger than others The Boxer details the life of a robot designed and built to be battered to destruction in the boxing ring for the pride and entertainment of her human owners and the person who sees something more worthwhile in her than that

Gender and Female Villains in 21st Century Fairy Tale Narratives Natalie Le Clue, Janelle Vermaak-Griessel, 2022-02-11 For every hero there is a villain and for every villain there is a story But how much do we really know about the villain Filling a gap in the field of gender representation and character evolution the chapters in this edited collection focus on female

villains in the fairy tale narratives of 21st Century media **Making Things and Drawing Boundaries** Jentery Sayers, 2018-01-15 In Making Things and Drawing Boundaries critical theory and cultural practice meet creativity collaboration and experimentation with physical materials as never before Foregrounding the interdisciplinary character of experimental methods and hands on research this collection asks what it means to make things in the humanities How is humanities research manifested in hand and on screen alongside the essay and monograph And importantly how does experimentation with physical materials correspond with social justice and responsibility Comprising almost forty chapters from ninety practitioners across twenty disciplines Making Things and Drawing Boundaries speaks directly and extensively to how humanities research engages a growing interest in maker culture however making may be defined Contributors Erin R Anderson Joanne Bernardi Yana Boeva Jeremy Boggs Duncan A Buell Amy Burek Trisha N Campbell Debbie Chachra Beth Compton Heidi Rae Cooley Nora Dimmock Devon Elliott Bill Endres Katherine Faull Alexander Flamenco Emily Alden Foster Sarah Fox Chelsea A M Gardner Susan Garfinkel Lee Hannigan Sara Hendren Ryan Hunt John Hunter Diane Jakacki Janelle Jenstad Edward Jones Imhotep Julie Thompson Klein Aaron D Knochel J K Purdom Lindblad Kim Martin Gwynaeth McIntyre
