## **The Fire That Never Sleeps Keys To Sustaining Personal Revival:**

*The Fire that Never Sleeps* Michael L. Brown, PhD, John Killpatrick, Larry Sparks, 2015-06-16 Get Revived and Stay On Fire I had such a powerful experience with God He touched my heart so deeply and after that one encounter I wanted to live for Jesus every day for the rest of my life Then life went back to normal Sound familiar Perhaps you ve had an encounter with

Preparing For The Great Outpouring Charles Fox, 2020-10-01 Though the Holy Spirit has spoken to many in the Body of Christ that we are on the precipice of the greatest revival the world has ever seen our hearts need to be prepared for a move of God Preparing for the Great Outpouring Is Your Heart Ready for A Move of God addresses ways in which God prepares our hearts individually and corporately *Trail of Fire* Daniel K. Norris, 2016-06-07 With compelling page turning stories never before heard some from the library of late evangelist Steve Hill Trail of Fire describes moments in history when people encountered God and went on to transform their communities A fresh revival is coming Daniel Norris engages readers with themes and foundational principles related to revival Each chapter reads like a novel rather than a historical treatise and provides action steps that readers can implement to cultivate and sustain revival in their lives and spheres of influence Now is the time for those who hunger for renewal in their spiritual lives and are tired of the dull dry routine of religious motion to boldly seek God for a revival in their land

**Saving a Sick America** Michael L. Brown, PhD, 2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America s greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country s best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible s solution to these issues A radical call for reformation written with sobriety and hope Saving a Sick America provides the inspiration and guidance necessary for a moral and cultural revolution
