The Forgotten Ones 1:

The Romance of K'tut Tantri and Indonesia Timothy Lindsey, 2008 This historiographic study of K tut Tantri alias Vannen Walker the journalist from the Isle of Man Muriel Pearson the unhappy wife and Surabaya Sue the notorious revolutionary compares her romantic and colorful autobiography *Revolt in Paradise* with other versions of her past including those of her fellow Bali colonists and her revolutionary comrades as well as her foes the Dutch and various intelligence organizations These alternatives accounts of her past question the image of K tut Tantri as hero portraying her instead as dishonest unstable egotistical and immoral Such criticisms have overshadowed proper recognition of her role in the development of modern Indonesia both as a bohemian hotelier in between wars Bali and later as propaganda broadcaster and adviser to Indonesian revolutionary leaders including Soekarno Sutomo and Syarifuddin Focusing on the nature of biography and autobiography this book analyses K tut Tantri s self defeating battle to use history in text and film script to define her identity and reappropriate her past An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses Finally an attempt is made to reconcile the deconstruction of K tut Tantri s autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person

ABOUT THE AUTHOR Timothy Lindsey is Professor of Law Director of the Asian Law Centre Director of the Centre for Islamic Law and Society and Federation Fellow in the Law School at the University of Melbourne

The Rag & Bone Man Lee Morgan, 2025-11-25 We didn t get to choose the stories we inherit The rag and bone man comes meandering along your street in the dawn hours He s looking for old things that still have a bit of fat left in them including off cuts of outsiders dreams If you decide to stop and talk to him he will tell you the old tales of how to tease out the teeming world of spirits that bulges behind our reality The Rag Bone Man s uncanny narrative bookended by historical context and a grimoire inspired by the novel bridges the gap between old ideas and new paradigms with a watchful eye on historical biases In this luminous novel Lee Morgan covers sensationalism and fraud in nineteenth century spiritualism and the ways in which we manipulated folklore and magic to cover and recontextualize our wrongdoings Some of The Rag Bone Man s extra content focuses on the importance of sensory pleasure and alignment with the fetch while crossing ectoplasmic lines to help you conduct a s ance The rag and bone man is a fixture in the novel s real life setting and is included in a performance art installation you can experience through a QR code in the book Enter the rag and bone man s world if you dare but be warned the stories he s picked up will break your heart

Separate and Unequal Amir S. Cheshin, Bill Hutman, Avi Melamed, 2009-07-01 This vivid behind the scenes account of Israeli rule in Jerusalem details for the first time the Jewish state's attempt to lay claim to all of Jerusalem even when that meant implementing harsh policies toward the city's Arab population The authors Jerusalemites from the spheres of politics journalism and the military have themselves been players in the drama that has unfolded in east Jerusalem in recent years and appears now to be at a climax They have also had access to a wide range of official documents that reveal the making and implementation of Israeli policy toward Jerusalem Their book discloses the details of Israel's discriminatory policies toward Jerusalem Arabs and shows how Israeli leaders mishandled everything from security and housing to schools and sanitation services to the detriment of not only the Palestinian residents but also Israel's own agenda Separate and Unequal is a history of lost opportunities to unite the peoples of Jerusalem A central focus of the book is Teddy Kollek the city's outspoken mayor for nearly three decades whose failures have gone largely unreported until now But Kollek is only one character in a cast that includes prime ministers generals terrorists European and American leaders Arab shopkeepers Israeli policemen and Palestinian schoolchildren The story the authors tell is as dramatic and poignant as the mosaic of

religious and ethnic groups that call Jerusalem home And coming at a time of renewed crisis it offers a startling perspective on past mistakes that can point the way toward more equitable treatment of all Jerusalemites

I Am the Decisions That I've Made Ritchie Mcphee,2017-10-26 In writing this book I was imagining myself living in a free World This book was not written for anyone to subscribe to The thoughts and expressions are just that my thoughts and expressions yes they belong to me Ive always thought out of the box and I mean out of the box without any confinements Ive heard the expression out of the box on many occasions but how far individuals are willing to venture out is almost always limited We should all have the freedom to think we should all have the freedom to express ourselves and we should all have the freedom to be free How is it that we dont want to know who are enemies are and how is it that we want others to think for us I am right but Im not afraid to be wrong In essence everything is a matter of opinion There is no right and there is no wrong for we are all right and we are all wrong It is just our interpretation of the truth and for a lot of us its what we want the truth to be
