Comparative Guide to American Colleges, 1985 **Comparative Guide to American Colleges** James Cass, Max Birnbaum, 1987 **University Rankings, Diversity, and the New Landscape of Higher Education**, 2019-02-18 University rankings are a relatively new phenomenon in higher education. Although quite an established practice in the U.S. it is only within the last decade that attempts to analyse university performance have spread to the rest of the world and that we also have seen new global rankings appear. Rankings attempting to measure university performance beyond national borders. No wonder that this trend is accompanied by a growing interest in studying rankings throughout the world. This book is written as part of the effort to

better understand rankings and their effects on higher education A serious approach towards university rankings implies that rankings should be analysed properly including the methods used and the indicators chosen and investigate the objectives claimed If university rankings are considered as consumer information then everyone should have an interest in basing such guidance on valid and reliable data and methodology A serious analysis should also discuss the wider implications of rankings as an emerging phenomenon in higher education Consequently the contributions to this book investigate and analyse how different rankings work how they reach their conclusions and on what data and methodology they are built Furthermore it provides a critical reflection about the impact of rankings on higher education how and in what way rankings influence policy making the structure of the sector or the internal life of the sector *Getting Into University: Oxford and Cambridge 2026 Entry Mat* Carmody,2025-04-07 The ultimate guide to securing a place at one of the most prestigious universities in the world Now in its 28th edition *Getting into Oxford Cambridge* is packed with detailed advice and up to date information to help you prepare a strong university application and win one of the fiercely sought after places at Oxbridge It will also give you vital insights into what it s really like to study there This practical and comprehensive book will lead you through every stage of the process including Full profiles of each college and tips on choosing the best one for you Useful advice on the early preparation you can do to gain a head start Invaluable guidance on writing an effective UCAS personal statement for Oxbridge in the new three part format for 2026 entry Full details of the written tests you will face prior to or during the interviews Information on what to expect at interview and tips on how to shine Case studies and sample personal statements from successful Oxbridge applicants MPW Guides make the complex process of getting into higher education clear and accessible to all Written by acknowledged experts in a concise format they go beyond the official publications to give would be students straightforward practical advice on how to secure a place on a course of their choice *The Complete Book of Colleges, 2020 Edition* Princeton Review,2019-07-02 No one knows colleges better than The Princeton Review Inside The Complete Book of Colleges 2020 Edition students will find meticulously researched information that will help them narrow their college search *Comparative Guide to American Colleges for Students, Parents, and Counselors* James Cass,Max Birnbaum,1972 **Comparative Guide to Two-year Colleges & Four-year Specialized Schools and Programs** James Cass,Max Birnbaum,1969 *The College Buzz Book* Carolyn C.
