## **Trust Mastering Essential Trusts Yourself:**

**Trust** Iyanla Vanzant,2015 Trust in self trust in God trust in others trust in life Jacket **Trust** Iyanla Vanzant,2017-06-13 Learning to trust is one of life's most difficult lessons. That's because trust is not a verb; it's a noun. But what if the real problem is not that we can't trust other people, it's that we can't trust ourselves? In this compelling volume filled with illuminating and heartrendingly powerful stories of broken trust, betrayal and triumph, Iyanla demonstrates why the four essential trusts—Trust in Self, Trust in God, Trust in Others and Trust in Life—are like oxygen: without them, none of us can survive. Mastering these four essential trusts requires both a process and a practice. Life gives you the process through your experiences; people provide you the opportunity to practice. Iyanla explores what trust really is and reveals why some of the most shocking trust violations offer us profound opportunities for personal growth and healing. Her pragmatic trust prescriptions, rooted in self-awareness, intuition, communication and spiritual practice, will challenge you to face your deepest fears and free you to cultivate new levels of increased authenticity, greater resilience, renewed peace and joy.

## **Dear Durga**

Shanita Liu,2023-01-25 Fear of failing at motherhood Fear of doing things differently Fear of feeling unfulfilled forever Author Shanita Liu was consumed by these fears. Decades of people pleasing, perfectionism and cultural conditioning left her burned out. Desperate, Shanita sought a coach who invited her to tune into her heart. That's when Durga, a remarkable warrior-goddess, appeared. Durga told Shanita that she wasn't alone and she could activate her own courage to triumph over fears. This encounter acted as the catalyst for Dear Durga, which became the opening line to hundreds of handwritten diary entries where Shanita communed with the goddess. As a result of Durga's support, Shanita went from being a scared mom to being a birthing three children, building a business, disrupting ancestral patterns of self-sacrifice and embracing her authentic self. Mixing memoir and self-help, Dear Durga is your go-to guidebook to overcoming the obstacles holding you back from tasting sweet victory not only in motherhood but also in life. Through Shanita's "keep it real" wit and warmth, she'll walk you through the four phases of her Courage Kit framework that will help you activate courage, your limitless energy within. Align with your needs, the ones you neglect; alleviate stressors, the ones that deplete you; act with conviction towards your dreams, the ones you procrastinate or put off entirely. BONUS: Durga gives you exclusive access to a toolkit that will help you defeat daily discouragements. Whether you're an expecting mom, an existing mom or a mom to your community, Shanita's uplifting story of navigating the trials of parenthood, unemployment, entrepreneurship and intergenerational traumas will inspire you to forge your own fulfilling path. If you're ready to show your children and the world what it looks like to emerge victorious, grab your copy of Dear Durga today! When we are aware of our emotions we can respond to others with empathy and compassion. We also tend to have better relationships with caregivers like parents, step parents, grandparents, older siblings, aunts, uncles, coaches, and teachers. Feelings matter. They give us directions like a compass for guiding our life and help us decide what we want. When we are aware of our emotions it is easier to talk about our feelings, ask for help, and solve problems. Expressing emotions is a natural part of being human. We do not ever have to be ashamed of our feelings. Emotions are useful for us. They are not weird or strange nor wrong or right. Although we experience emotions we are not our emotions. Our emotions help us to understand ourselves and have a fulfilling life. Learning to express our feelings safely and in a healthy way makes us better people and creates a happier family. In *My Emotions and Me: A Guide for Youth and Their Caregivers* Dr. Free presents readers with a poetic style that is rhythmic and thought provoking. Beyond the text the affirmations will provide encouragement and the reflection questions will support young readers and those who care for them in self discovery. *My Emotions and Me* is great for gaining a better understanding of self and improving relationships with others. ***I Heart My Life*** Emily Williams, 2019-06-04 Written by entrepreneurial phenomenon Emily Williams. *I Heart My Life* is a guidebook for women to change their money mindset, get clarity on what they want, and start living the life of their dreams. *I Heart My Life* is a guide for living life in a different way to everyone else, going for your desires and no longer letting doubt, shame, insecurity, or other people's judgment stop you from moving forward with that something big you know you're meant for. It brings together mindset, money beliefs, success principles, vulnerability, and real life stories of women who have made their career and life dreams come true. Emily Williams once couldn't even get a job at Starbucks. Yet she went on to move to a new country, clear \$30k in credit card debt, and build a seven figure coaching business from scratch. and sink under the belief that certain lives do not matter in our society. Others confront our epidemic of anxiety with fierce resistance or the fight to be right criticizing anyone and everyone just to end up stuck. In the face of such pervasive human suffering, New York Times best selling author and legendary life coach Iyanla Vanzant challenges us. What if it's not them, what if it's you? What if you need to get over it and get over yourself? Because no matter how much we would like to blame people and circumstances beyond our control, the truth is staggeringly simple: anything and everything we experience is a function of what and how we think. In *Get Over It*, Iyanla offers a unique spiritual technology called thought therapy, a process that harnesses proven spiritual tools with the science of neuroplasticity. The 42 prayers and affirmations and complementary energy clearing tools at the heart of the thought therapy process are designed to neutralize and eliminate the unconscious, unproductive soul destroying dominant negative thought patterns (DNTPs) and discordant emotional energies, allowing you to get to the root cause of your personal suffering and make life affirming choices. If you're ready to break free of your ego's resistance and willing to face yourself, willing to change and willing to heal and grow, then now's the time to *Get Over It*.

*Forgiveness* Iyanla Vanzant, 2017-02-07  
Too many of us feel trapped in stagnant romantic family or workplace relationships. Weighed down by toxic thoughts and emotions, we might be quick to judge and slow to pardon and self-righteous about our feelings as we dwell on memories of what we or others did or failed to do. In this *tradepaper* edition, Iyanla Vanzant challenges us to liberate ourselves from the wounds of the past and to embrace the new power of forgiveness. With Iyanla's 21 Day Forgiveness Plan, you'll explore relationship dynamics with your parents, children, friends, partners, co-workers, bosses, yourself, and even God. With journaling work and Emotional Freedom Techniques (also known as tapping), you'll learn to live with more love, gain new clarity on your life lessons and blessings, and discover a new level of personal freedom, peace, and well-being. Forgiveness doesn't mean agreeing with condoning or even liking what has happened. Forgiveness means letting go and knowing that, regardless of how challenging, frightening, or difficult an experience may seem, everything is just as it needs to be in order for you to grow and learn. When you focus on how things should be, you deny the presence and power of love. Accept the events of the past while being willing to change your perspective on them. As Iyanla says, Only forgiveness can liberate minds and hearts once held captive by anger, bitterness, resentment, and fear. Forgiveness is a true path to freedom that can renew faith, build trust, and nourish the soul.
