Amazon.com For Dummies Mara Friedman, 2003-01-16 If you've surfed the Web more than once you've probably visited Amazon.com. Originally you may have gone there searching for books but Amazon.com is so much more than a bookstore. The author of *Amazon.com For Dummies*, who has been involved with the site from its beginnings, describes it as a shopping mall, home improvement store, bazaar, travel agency, newsstand, car lot, but most importantly a community of buyers and sellers, people like you. Countless opportunities exist for those who join this community and *Amazon.com For Dummies* gives you a smorgasbord sampling of what they are and how to take advantage of every one. For example you can: Set up an account and buy things; Bid on an auction; Sell your items; Personalize your shopping experience; Open your own online store; Join the Amazon.com community. Written by Mara Friedman who has held several positions with Amazon.com including marketing communications manager, *Amazon.com For Dummies* takes you from your first venture into the Amazon all the way to making money from your Amazon.com experience. Discover how to: Find your way around the marketplace and scout out the best deals; Get local movie showtimes; view restaurant menus; chat with other shoppers; send free e-cards or sign up for a free reminder service; Track orders and manage your account; Browse specialty shops and check out international merchandise; Take advantage of reviews from other shoppers; Set up and use wish lists for yourself and your friends; Create your own online Zshop; set the right prices and take photos that help sell your items; Take advantage of the Amazon.com Advantage or become an Associate. Whether you're a complete novice who'd like a guide to help you with your first online purchases or a longtime Amazon.com shopper who wants to become an online entrepreneur, *Amazon.com For Dummies* has what you need. Use it today to get started and tomorrow to help you manage your own successful online business. *Amazon Echo Show 21 2026 User Guide* Joseph T.
