New Power Jeremy Heimans, Henry Timms, 2018-04-03 From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world. For the vast majority of human history power has been held by the few. Old power is closed, inaccessible and leader driven. Once gained it is jealously guarded and the powerful spend it carefully like currency. But the technological revolution of the past two decades has made possible a new form of power one that operates differently like a current. New power is made by many, it is open, participatory, often leaderless and peer driven. Like water or electricity it is most forceful when it surges. The goal with new power is not to hoard it but to channel it. New power is behind the rise of participatory communities like Facebook and YouTube, sharing services like Uber and Airbnb and rapid fire social movements like Brexit and BlackLivesMatter. It explains the unlikely success of Barack Obama's 2008 campaign and the unlikelier victory of Donald Trump in 2016. And it gives ISIS its power to propagate its brand and distribute its violence. Even old power institutions like the Papacy, NASA and LEGO have tapped into the strength of the crowd to stage improbable reinventions. In *New Power* the business leaders and social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty first century. Drawing on examples from business, politics and social justice they explain the new world we live in a world where connectivity has made change shocking and swift and a world in which everyone expects to participate.

Black Thursday Linda Joffe Hull, 2014-10-08 A bad deal for Mrs. Frugalicious. When Maddie Michaels AKA Mrs. Frugalicious is invited to take a local news crew with her on a Black Friday shopping expedition she's excited to show viewers at home how to score the season's best savings. Despite a negative comment from Contrary Claire the sole naysayer in her growing Frugarmy, Maddie is hopeful her first TV appearance will be a bargain savvy success. But Black Friday eve takes a bleak turn when a shopper is crushed beneath a pallet of toasters. After learning that the victim could be Contrary Claire it becomes clear that Claire has made more than one enemy. Maddie finds herself dealing once again with a murder investigation. Will she catch the killer before someone else is slashed like a sale price? Includes couponing tips. Praise: A fun and savvy mystery Booklist

Most grants books often hundreds of pages long make grant writing seem too intimidating but Gorsevski gets to the heart of the process. In simple steps *Writing Successful Grant Proposals* highlights key things savvy proposal writers do to attract and secure prospective funders. With clear, concise instructions this book demystifies grant proposal writing from the initial development phase to the writing and submissions phase to the grant award phase to the final delivery of project results phase. This small but mighty guide shares with readers effective strategies for adapting proposals to meet diversity digital and other evolving 21st Century constraints of grant review offering pointers for staying on task getting the proposed project done on time and

under budget plus many other insider tips for smoothly navigating through the grants process. This handy guidebook is designed to help academics, non-profits, creatives, and entrepreneurs to write successful grant proposals. This little book gets quickly to the important points. Even better, Dr. Gorsevski has been around the grant writing block a few times herself. She's giving honest answers and pragmatic advice. This is all the stuff you really need to know. Dale Cyphert, Ph.D. Associate Professor of Management, College of Business Administration, University of Northern Iowa. Finally, A savvy book on grants that speaks to large social concerns of peace, environment, justice, and multiple audiences. Gorsevski's book is a much-needed resource for agency, academic, and volunteer leaders alike regarding the do's and don'ts of dealing with diverse donors and RFPs. George A. Lopez, Hesburgh Professor of Peace Studies, Emeritus, University of Notre Dame, and former Vice President of the US Institute of Peace. Ellen W. Gorsevski, Ph.D. shares her experience in writing successful grant proposals in private sector think tanks and contracting firms and in public sector teaching and research. She is author of books on persuasive communication including *Peaceful Persuasion: The Geopolitics of Nonviolent Rhetoric* (SUNY Press, 2004) and *Dangerous Women: The Rhetoric of the Women Nobel Peace Laureates* (Troubador Publishing Ltd, 2014).

Digital Marketing For Business 2 Books in 1 Jonathan Page, Michael Gates, 2020-12-11. Social media has traversed far greater heights than simply being a medium for user-generated content. Today it's a tool for consumer empowerment; we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post and a gratifying brand consumer partnership. Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits. They've realized that social media is not limited to games and light-hearted opinion polls which are also hugely successful in creating affable brands but can involve more serious discussions and insights that are invaluable when it comes to building strong brands. Unlike traditional marketing mediums, social media doesn't swallow a huge chunk of your advertising and promotion budget. You don't need to create cost-intensive and ineffectual marketing plans that leave you broke. All you need is some creativity, perceptiveness, and an intuitive understanding about your audience's needs. More than sharp business acumen, you need a human touch. Social media gives your brand a human angle without breaking the bank. Currently, social media marketing is the most powerful tool that can help businesses to reach customers and prospects, whether small or not. But with over 88 percent of all companies selling on at least one social media platform, you can see how tempting it can be for the company to get lost in all that noise. To achieve more organic visibility, meet committed brand fans, and even generate more sales and leads on your company social media pages, you'll need a succinct marketing strategy to rise to the top. Thankfully, this book offers just that for you. The book will show you how to promote your brand on social media, peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective. Whether you are either active on social media or have never had a Facebook account, this book will lead your social media marketing campaign every step of the way through building your account and improving your profile to

posting content that your audience will want to connect with and the different ways to advertising and promoting your brand for more views and followers We will look at Facebook YouTube Instagram LinkedIn and Twitter in this book and show you that given the fierce competition social media marketing can be effective in your business A strong presence on social media is something that the company can't afford to miss Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly Instagram Marketing Algorithms The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand's message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn't already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together Use your brand or company name in hashtags the hashtags that you pick don't have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately
