Presidential Control over Administration Patrick O'Brien, 2022-04-27 The US Constitution recognizes the president as the sole legal head of the executive branch. Despite this constitutional authority, the president's actual control over administration varies significantly in practice from one president to the next. Presidential Control over Administration provides a new approach for studying the presidency and policymaking that centers on this critical and often overlooked historical variable. To explain the different configurations of presidential control over administration that recur throughout history—collapse, innovation, stabilization, and constraint—O'Brien develops a new theory that incorporates historical variation in a combination of key restrictions such as time, knowledge, and the structure of government, as well as key incentives such as providing acceptable performance and implementing preferred policies. O'Brien then tests the argument by tracing the policymaking process in the domain of public finance across nearly a century of history, beginning with President Herbert Hoover during the Great Depression and ending with the first two years of the Trump presidency. Although the book focuses on historical variation in presidential control, especially during the New Deal era and the Reagan era, the theory and empirical analysis are highly relevant for recent incumbents. In particular, O'Brien shows that during the Great Recession and beyond, the initial efforts of Presidents Barack Obama and Donald Trump to change the established course during a period of unified party control of the government were largely undercut by each president's limited control over administration. Presidential Control over Administration is a groundbreaking contribution to our understanding of the presidency and policymaking. **Ernst & Young Tax Guide 2018** Ernst & Young LLP, 2017-11-15 Minimize your tax and maximize your 2017 return. The EY Tax Guide 2018 offers professional guidance for DIY tax prep. As one of the nation's most trusted resources for tax advice, this book can help you keep more of your money while filing completely correctly and on time. Fully updated to reflect the latest changes to the law, this new 2018 edition cuts through impenetrable tax codes and IRS rulings to give you the answers you need quickly and easily. Whether you're a homeowner, self-employed entrepreneur, business executive, or senior citizen, you'll discover the best tax strategy for your particular situation. At a Glance reference sheets give you quick answers to common questions regarding new laws, breaks, and deductions, and how to avoid common errors. No two tax years are alike. The laws change constantly, and even small changes can affect your return. This book cuts to the chase and tells you what's new, what it means for you, and what you can do to keep more of your money. Get up to date on changes to tax law and how they affect you. Identify breaks and deductions that can reduce your tax burden. Zero in on the best tax strategy for your particular situation. Find answers at a glance from globally respected tax advisors. Avoid the headaches that come with parsing IRS worksheets and documentation. EY has already done it for you. The EY Tax Guide 2018 gives you the answers you need and clarity you crave, backed by globally trusted expertise. **The Procrastinator's Guide to Retirement** David Trahair, 2021-03-06 Let's face it: planning and saving for retirement is not easy. We are told that the earlier we start, the better, and that the magic of

compounding will make our dreams come true if we simply trust the stock market and our investment advisor But for most people it s simply not possible People in their twenties are often saddled with student debt and may be struggling to find suitable full time employment Saving for retirement is the last thing on their minds as it should be Then in our thirties and forties we tend to do things like get married have kids and buy houses All these things cost a lot of money So for many people there simply isn t any money left to put away for retirement Therefore many of us become procrastinators when it comes to saving for retirement But there is hope This book will take you step by step though planning and saving for retirement starting in your fifties and the best way to fund your retirement years It is designed for people approaching retirement who want to ensure it is comfortable and stress free **Parliamentary Debates** New Zealand. Parliament,1978 *The Power of Love for Reaching Out to "the Other"* Johnny Ramirez-Johnson,2023-08-24 Race is a result of God s design and not of sin God loves diversity and sought it Race biases are normal and come as a result of likes and dislikes love of the other is to be learned In this book Bible stories and principles are combined with four intercultural communication skills to help develop love of the other This book builds on what Sherwood Lingenfelter and Marvin K Mayers developed for understanding cultural values and diversity of likes and dislikes Those differences are normal The problem comes from excluding the other This book explores a step wise approach to developing the love of the other How the person the leader and the church see diversity defines the church s outreach mission and gospel fulfillment Author s Own Words Book Description The Power of Love book explains how emotions and feelings were part of God s creation design from before sin entered this world While departing from cognitive neuropsychology and the latest learning from science this seminar furthers the idea that race relations are not to be understood by sociology and science but by Bible and Christian beliefs If you want to learn a non CRT critical race theory approach to race relations while risking being again convicted of the need to reach out to the other in gospel love enter into dialogue with the author by reading his book and let us pray together If you want to keep it safe and your intercultural relationships as they are in a tongue in cheek way the author advises to stay away from this book *Kiplinger's Personal Finance* ,1987-03 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics The World's Work Walter Hines Page,Arthur W.
