Conceding Composition Ryan Skinnell, 2016-09-01 First year composition became the most common course in American higher education not because it could fix underprepared student writers but because it has historically served significant institutional interests That is it can be conceded in multiple ways to help institutions solve political promotional and financial problems Conceding Composition is a wide ranging historical examination of composition s evolving institutional value in American higher education over the course of nearly a century Based on extensive archival research conducted at six American universities and using the specific cases of institutional mission regional accreditation and federal funding this study demonstrates that administrators and faculty have introduced reformed maintained threatened or eliminated composition as part of negotiations related to nondisciplinary institutional exigencies Viewing composition from this perspective author Ryan Skinnell raises new questions about why composition exists in the university how it exists and how teachers and scholars might productively reconceive first year composition in light of its institutional functions The book considers the rhetorical political organizational institutional and promotional options conceding composition opened up for institutions of higher education and considers what the first year course and the discipline might look like with composition s transience reimaged not as a barrier but as a consummate institutional value

Legal Certainty in Multilingual EU Law Elina Paunio, 2016-04-22 How can multilingualism and legal certainty be reconciled in EU law Despite the importance of multilingualism for the European project it has attracted only limited attention from legal scholars This book provides a valuable contribution to this otherwise neglected area Whilst firmly situated within the field of EU law the book also employs theories developed in linguistics and translation studies More particularly it explores the uncertainty surrounding the meaning of multilingual EU law and the impact of multilingualism on judicial reasoning at the European Court of Justice To reconceptualize legal certainty in EU law the book highlights the importance of transparent judicial reasoning and dialogue between courts and suggests a discursive model for adjudication at the European Court of Justice Based on both theory and case law analysis this interdisciplinary study is an important contribution to the field of European legal reasoning and to the study of multilingualism within EU legal scholarship
